*Grateful Thread – March 2016*

**“From the Heart”**  
*Volunteers are angels in disguise.*

## Letter from Lois - March 2016

During the first two months of 2016 we have distributed 3,351 items to our recipients. Adding that to our previous donations, we have now reached almost 240,000 folks, creating at least five times that in happy, smiling faces. You never cease to amaze me!

The Heart felt notes we get, the thank you's for caring and sharing... beautiful! You all are truly awesome and I know you can feel it yourselves when you realize just how your stitches are touching others, even if you never meet them, those folks have a special bond with you.

YOU are the reason we continue to hold our Retreat each year...to honor YOU! That's why we are From the Heart, because we really stitch and give from our Hearts. This year might just be very magical and with the focus on you it is sure to be inspiring. With our numbers growing, retreat space is limited. Please remember, when the call goes out, get your registrations in early! We don't want you to miss out on all the friendship, food, classes, thankful speakers, vendors and excitement.

Can't wait to see you there!

Lois

### **Important: Please read (re shopkeeping)**

The last couple of months have been very difficult in terms of getting volunteers to work the two-hour shifts at the shop and we have had a couple of occasions where there has been just one person signed up for shop duty. I believe that it has always happened that somebody at the shop offered to help so we did end up with two... as far as I know. While it is very kind of the volunteer to be willing to work alone and also kind of people in the shop to step up when asked, we feel it is not a good idea for this to continue as we have no way of knowing in advance if anybody will be at the shop or not and, for safety reasons, do not want a shopkeeper to be alone in the shop. The Board discussed this issue at their last meeting and decided that if we only have one volunteer shopkeeper, the shop either will not open (morning shift) or will close early if we don't have a second afternoon person. The scheduler will contact any shopkeeper signed up to work alone if necessary but, unfortunately, there is no way to notify all From the Heart members in advance. We are having a sign made which can be put on the door should this become necessary.

If you wish to become a shopkeeper to help prevent this from happening, please contact Eleanor Cannon at (804) 514-1168 or by email at [e-cannon@msn.com](mailto:e-cannon@msn.com).

## Turtles and Thank You's

As many of you know, we put out a call before Christmas for knitted and/or crocheted toy turtles to be donated to a local Correctional Center in order that the inmates might have a gift to give their children during the holiday season. Below is a typed copy of a hand-written letter Ginny Broughton (who delivered them to be distributed) received last week from Carson Tucker of the Powhatan County Board of Supervisors. Thank you to all who contributed to making it a better holiday season for so many children.

*"Dear Mrs. Broughton,*

*Thank you & all the members of FtH for your labor of love in providing turtles for children visiting their fathers at Deep Meadow Correctional Center.*

*Perhaps this story says it better:*

*As a little 5-year old girl left the room, clutching her turtle to her chest, she reached up & took her dad's big hand & said to him, "Daddy, this is my bestest Christmas present because you gave it to me."*

*He looked at me & burst into tears. His cheeks, of the 2 of us adults in the room, were not the only wet ones"*

*Thank you,*

*Carson*

*(I hope you can share this with your members)"*

## Powhatan Festival of Fiber

*Saturday, April 30, 2016* is the date of the next Powhatan Festival of Fiber. The festival, held to celebrate and to share appreciation of the many fiber animals, fiber farmers and fiber artisans of the county and surrounding area, will be held rain or shine and is always worth attending so mark your calendar now. The festival includes demonstrations, exhibits, and classes (some of the classes are an additional cost). The event starts at 10:00am and continues until 5:00pm at 3920 Marion Harland Lane in Powhatan. The cost of admittance is \$5 for adults with children 12 and under being admitted free.

## Acknowledgement

You may have noticed that the Newsletter is looking very nice and almost professional, including colored pictures and glossy paper. From the Heart would like to thank The Institute for Perception, Hull Street Road for donating their time and equipment to make this possible.

## Schedulers Needed

Schedulers are responsible for ensuring that the shop is properly 'staffed' with two people on duty for each shift while the shop is open. Each scheduler takes on one month at a time in rotation.

Contact any one of the current schedulers for more information.

## Stop by the Shop – “Shop” Hours

The From the Heart 'shop', which is actually our clubhouse/distribution center, is open every Tuesday, Wednesday, Thursday, and Saturday from 10am until 2pm. It is located at 1114 Westbriar Drive in Henrico Co. When was the last time you sat, stitched and enjoyed the camaraderie? We would love to see you there whenever you can drop by.

See the calendar at the end of this Newsletter for times and places of From the Heart group meetings which are additional to the shop hours.

## Current Needs

**Richmond and Surrounding** area's main need at the moment is for:

New born blankets and hats.

Longer blankets for Chemo and Dialysis blankets. Sizes need to be approx. 30" X 48" for chemo and up to 38" by 68" for dialysis.

**Fredericksburg/King George** has a need for:

Baby items

Blankets of all sizes up to twin bed size

Leg warmers

Dressed bears

As always, although these are the current needs, you should feel free to work on whatever you want to make as we can, and will, find a home for anything you donate.

## Tip of the Month

### Swatching

So, you are a very diligent knitter or crocheter and always make and launder a swatch when creating a project. However, you hate the thought of throwing out all those swatches so what can you do with them?

The answer is: Pretty much anything you want. Save them in a plastic bag and, when you have a sufficient number, join them to create a mismatched scarf, bag, vest, cardigan or anything you like. Truly a one-of-a-kind item.

## 2016 From the Heart Retreat “It’s Magic!” Saturday, August 27<sup>th</sup> - 10:00am – 3:30pm

We have set the date so mark your calendars NOW to attend our Retreat which will, once again, be held at The Place at Innsbrook. Registration for the Retreat will be \$40 and registration will open on April 18<sup>th</sup> and will close on July 15<sup>th</sup>.

As with last year, we will be limiting the number of spaces to 200 given the constraints we have on space and the need to ensure that attendees enjoy themselves. We will have vendors, classes, speakers, games, raffles, door prizes, and lots and lots of fun and camaraderie.

Speaking of classes, please contact me (Tricia) at 804-683-9015 if you would like to volunteer to teach this year. We will need several teachers willing to spend about 20 minutes teaching. We would like both crochet and knitting classes so, if you have an idea or technique that you could pass on to others in a 20 minute class, please let me hear from you ASAP. Indeed, please let me know if you would like to help in any way, e.g. calling Bingo, setting up, taking down...

Registration forms will be included in next month's Newsletter so keep your eyes open for that. ☺

## Glen's Story

*I can't believe it's been 10 short years since I became involved with From the Heart. My life was changing; getting ready to retire, expecting my first grandchild (some of you remember Trey) and my mother stopped knitting. I wanted to make Trey a blanket and a sweater. What was I thinking as a new knitter? My daughter said 'what are we going to do for dishcloths now that Grammie doesn't knit anymore'? Thus a knitter was born. I frequented a knit shop in Powhatan and hooked up with ladies that I still knit and crochet with every week. Yes I now crochet also! I met a lady in Ben Franklin (Sue Fowlkes) who introduced me to From the Heart and, of course, Lois Moore. It has been a blessing for me to be surrounded by such generous, caring, and talented folks.*

*Today I attend four groups who share the love of this craft and the fellowship of getting together. Over 10 years I have learned so much but still consider myself a beginner to intermediate knitter/crocheter. There are so many lovely yarns and so many projects to do that I hop around quite a bit. That's OK right? It keeps me from getting into trouble. Thanks to everyone who has helped me for being so*

*patient. My other hobbies and having four grandchildren keep me active. Trey is now 9 and knits with me sometimes. Last year he made a scarf to wear to school. Can you all remember him sitting on the floor in the shop rolling balls of yarn around?*

*That's my story in a nutshell. I look forward to seeing you at the shop. It is such a comfortable and welcoming place to be.*

Glen Allen

Each month, we like to include a member's story about how they found and joined From the Heart. If you would like your story to appear in the newsletter, please send it to me at [ennis1000@verizon.net](mailto:ennis1000@verizon.net) or you can leave it in an envelope (with my name on it) on the desk at the shop. Also, let me know when you send it, if you want your name published alongside your story or not.

### **From the Heart Fredericksburg "Waste Not" Workshop**

**Date:** Saturday March 26, 2016

**Time:** 10:00 a.m.–4:00 p.m.

**Location:** Ruritan Building —5994 Plank Road, Fredericksburg, between Battlefiled Dental and the Fire Station just east of Andora Drive on Rt. 3.

Yarn swap and learn new stitching techniques, like Bavarian crochet!

The workshop will also be a Dollar Daze Donation Day! (see below)

We will have yarn, patterns and help available. We are doing a yarn swap so bring those skeins you don't like and swap for something you would like to work with.

See how leftovers can make up into useful beautiful items. All items completed will be delivered to various groups in the community.

Bring your tools and a dish to share and come for a fun filled day! Plates, napkins, cups, bowls, utensils, coffee, hot tea and bottled water will be provided. The building has a large kitchen for our use.

Various demonstrations will be given. We will need both a setup and clean up team so let us know which you are able to help with.

Everyone is welcome so bring your friends and relatives. For more information or to volunteer to demonstrate, contact Pam at 540.661.7967 or email at [pegreswolde@comcast.net](mailto:pegreswolde@comcast.net). We hope to see you there!

### **Fredericksburg Dollar Daze Donation Day**

Saturday, March 26, the From the Heart Waste Not Workshop will also be a Dollar Daze Donation Day from 10am until 4pm.

The concept is quite simple - we have received many books, patterns, needles, yarn... over the last couple of years. These are high quality items but they are not suitable for use in the making of the items we donate. During the workshop, we will be offering you a chance to come take a look and pick up any of these items you would like to have for your personal use for a small donation. This is an excellent opportunity for you to spend time with friends and 'shop' at the same time.

We plan to set up these items and mark them with a small sign to indicate what we would suggest as the minimum donation for the item. The entire process should be an easy one. The donation box will be set up near the items so you will just need to select what you want and pop your donation into the box.

A few of the items we will have available..... knitting needles, pattern books and magazines, quilting supplies, and a variety of yarns.

Come and help yourself to something nice and help From the Heart not only clean up the supply but have a few more dollars available to purchase yarn we can use to make items we can donate to those who need them.

### ***Directions to 'Waste Not Workshop/Dollar Daze'***

From Central Park head west on Route 3 to the Ruritan Building. It is approx. 10 minutes west of Central Park.

You will pass a shopping center on right with CVS and McDonald's, a short while later you will pass a traffic light at Gordon Road. Next you will see Walgreens' on left and Harrison Crossing shopping center on the right.

Once you pass this shopping center get in left lane. At the 2nd traffic light you will see an Elementary school on the right and you will be turning left. Do a U-turn at this light. There will be a **dentist office, the Ruritan building and a fire station**. There is plenty of parking at the building.

Questions? Call Pam at 540.661.7967 or 540.972.3602

### Drop Stitch Leftover Blanket By Pam Greswolde

This works up great with all types of leftovers. As you can see in the picture, I chose to do 2 rows of each color but you could do more. I suggest at least 2 rows so that you see the pattern. The sample was made with all worsted weight yarn but it works well mixing types of yarn.

#### Supplies:

- Various color yarn of any type, weight or amount
- Any size hook (Sample was made with a K hook)

Chain to desired length ensuring an even number of stitches + 3

**Row 1:** DC in 4<sup>th</sup> ch from hook and in each stitch across. You should have the beginning ch and an even number of DC stitches. Chain 3 and turn.

**Row 2:** DC in first DC of previous row and in each DC across to the end, ch 3 and turn.

**Row 3:** DC in first DC of previous row. The next stitch is a DC in the next stitch in the row 2 below current row. (See illustration). \*Dc in the next DC of previous row, DC in the next stitch in the row 2 below current row. Repeat from \* to the end of the row, ch 3 and turn.

**Row 4:** DC in first DC of previous row and in each DC across to the end, ch 3 and turn.

**Row 5:** DC in first DC of previous row. The next stitch is a DC in row 1. (See illustration). \*Dc in the next DC of previous row, DC in next stitch of row 1. Repeat from \* to the end of the row, ch 3 and turn.

Repeat rows 4 & 5 until length desired

# Warm Thoughts Blanket

Larissa Karp

Blanket size may be altered by adding additional stitches in multiples of 18 or by using a larger or smaller gauge of yarn and needle.

## Gauge:

12 sts and 16 rows = 4 inches

Needles (US 11) 2 strands of yarn in pat.

**Instructions:** With 2 strands of yarn, cast on 118 sts

**Notes:** For baby blanket use single strand yarn and appropriate needle size.....change colors after every pattern set (rows 1-24)

On RS rows, instructions between the asterisks should be repeated until there are 5 sts remaining on row, then K5
