5. About 5 rows down from the neck and 3 to 5 sc in from sides on both sides sew with Color B down in a straight line to bottom of "shirt" to simulate arms.
6. About 3-4 rows down from the top of Color A sew with same color yarn down to bottom of "pants" to form legs. Do the same with black on the "shoes".
7. Embroider face with eyes and smiling mouth
