

## Easiest Crocheted Blanket Ever

### Materials:

Lots and lots of balls of leftover worsted weight (#4) yarn in all sorts of colors  
Size J crochet hook

### Note:

This blanket can be made with any weight yarn and an appropriate sized hook for that yarn. You can easily figure out the finished dimensions from the gauge given on the label.

### Finished Size:

Approximately 6 feet wide by as long as you want to make it

### Abbreviations:

ch chain  
dc double crochet  
sc single crochet  
sl st slip stitch  
sp space  
st stitch

### Pattern:

Chain 255

Row 1: dc in the 3<sup>rd</sup> chain from hook, dc in each chain across, ch 3, turn

Row 2: dc in the 3<sup>rd</sup> chain from hook, dc in each dc across, ch 3, turn

Repeat Row 2 until the blanket is as long as you want or until you run out of yarn, changing colors whenever you like.

### Edging: (if desired)

At the end of the last row:

Round 1: Ch 3, working to the left of the ch 3 you just made, 4 dc in last chain of row just finished (counting ch 3, you now have 5dc – a corner), then 1 dc in each space created by the turning ch 3's down the side of the blanket, 5 dc in corner, dc in each chain sp across, 5 dc in corner, 1 dc in each turning ch 3 space up the side, 5 dc in corner sp, 1 dc in each dc across, sl st to join to top of 1<sup>st</sup> corner.

Round 2: Change color if desired. Ch 2, sc in top of each dc and 3 sc in center corner dc around. Join to top of 1<sup>st</sup> dc. Finish off and weave in ends. This round is better worked with just one color.

Optional: Rep round 2 if you like before finishing off. This round is better worked with just one color.

This pattern looks especially nice if you have enough of one color that you can deliberately use the same color every X number of rows, say a row of black every 5 rows.
