

## Jeanette's Knitted Leftovers Scarf

*(This scarf matches the Slouchy Beanie hat in the Hats Section)*

### Pattern

Rows 1 – 5: Garter Stitch (knit every row)

Rows 6-10: Stockinette (knit right side; purl wrong side)

Rows 11-15: Seed Stitch (right side K1, P1 across/wrong side K the P stitches; P the K stitches)

Rows 16-20: Stockinette

Rows 21-25 Purl every stitch on both sides

Rows 26-30: Stockinette

Repeat these 30 rows until desired length is reached. Bind off.  
Weave in ends.

Needle Size: depends on thickness of leftover yarns you are using. If sport weight (3) use #5 or #6

If Worsted weight (4) use #7 or #8. If Bulky Weight (5) use #9, #10 or #11.

HOW MANY STITCHES TO CAST ON? I cast on 20 stitches using #11 needle for a 6" wide scarf

You will need to determine how many stitches to cast on. More if using a smaller needle; less if using a bigger one. Work a couple of rows and measure. If you like the texture (not too tight or too loose) measure and work on. Or start over again.

The only thing not to change (unless you think up your own pattern) is to KEEP EACH PATTERN TO 5 ROWS

This is a good way to practice the Knit stitch and the Purl stitch if you're new to knitting and bored with knitting every row.

End the scarf with a garter stitch pattern so the end won't curl.

NOTE: One option for a slightly different (but more reversible scarf) would be to work the second stockinette st. portion as a reverse stockinette st. i.e.

Rows 16-20: Reverse stockinette (purl on right side; knit on wrong side)
