

Felted Dryer Balls

Benefits:

Shortens Dryer Time

Reduces Wrinkles

Softens Laundry

Saves Money

Fragrance Free

Materials Needed:

Yarn and roving must be 100% non-washable wool.

About 44 yards of worsted weight yarn (#4 on label).

Roving – enough to cover a ball about the size of a tennis ball.

One knee-high stocking.

An agitator washing machine using hot water.

Dryer.

Directions:

Wind yarn into a ball.

Wrap roving around, completely covering the ball.

Place in the knee-high and tie a knot to secure the ball.

Put into washer with either jeans or towel with a small amount of laundry soap.

Wash using the hot water cycle. You may have to do this twice.

Place in dryer.

When dry, peel off stocking.
