

## Letter from Lois – October 2019

Hectic, hot summer days are behind us so just maybe we can step back and relax a little. In fact, that is exactly what hubby, Russ, and I will be doing. We have decided (well, actually I think it was decided for us by family) we will be taking a break from From the Heart while we are still healthy and have our energy. There are so many things undone, so many places and visits put aside for way too long.

We have 3 sisters in their 80s, each an hour plus away from us. We are fortunate if we see them 2 or 3 times a year. We have a brother and his wife just 30 minutes away but still can never fit them into our crazy schedule. We plan to spend time with each of them.

We have children and grandchildren in Illinois, North Carolina, Texas, New Mexico and New York. With them scattered so far apart, not sure just how many of them we will visit but we're definitely thinking about trying.

Golf that has been put on the back burner for the last 2 or 3 years will, once again, become our primary form of exercise.

We would like to wake up leisurely each morning and, over our first cup of coffee, plan an enjoyable, stress free day. We will not be taking calls, planning or attending events, or making deliveries. I have handed off all my stitching supplies and patterns necessary for creating demise gown sets, demise cradle sets, knitted knockers and octopi to very capable stitchers who will be doing a wonderful job.

After more than 18 years of go-go-go, we just need some carefree time to do a few unscheduled things, take some strolls and stop to smell the flowers whenever we like!

We will be off the clock and beginning our "vacation" on October 1, 2019 and return to action January 6, 2020. So now we are wishing you all a fantastic Thanksgiving, holiday season and wonderful New Year!

## From the Heart 2020 Retreat

Reserve the date now! Saturday, August 22, 2020. Once again, we will hold the Retreat at The Place. We have not finalized the theme yet, but it will be something to do with faeries. We'll let you know as soon as we can so you can start polishing your wings and wand 😊

## Richmond Dollar Daze Saturday October 19<sup>th</sup> & Sunday 20<sup>th</sup>

Dollar Daze will stretch over two days this year, Saturday October 19<sup>th</sup> from 10am until 2pm and Sunday 20<sup>th</sup> from 1 until 3pm.

If you are not familiar with the concept of Dollar Daze, From the Heart receives quite an amount of yarn during the year which is not suitable for the work we do (silks, mohair, cashmere, linen and so forth). We categorize this yarn and, in some cases, mark it with its original price. Once or twice a year, we offer this yarn to our members for a donation. Depending on the yarn, we sometimes suggest a donation of approximately 1/3 the original but we also offer quite a lot for a suggested donation of \$1/skein. We will also have needles, hooks, and accessories available.

We will be setting up for this event on Friday 18<sup>th</sup> and will need some help. Please contact Tricia (804-683-9015 or [triciaennis2014@gmail.com](mailto:triciaennis2014@gmail.com)) if you would like to assist.

## Quilter's Corners Quilters

What a great time our quilters are having!

We are meeting on the *first and third* Mondays of each month at Quilter's Corner in Sycamore Square, Midlothian Village. Judy Trump will be leading the group which takes place between 10:00am and 1:00pm.

After just two gatherings, we've already turned in a wonderful stack of beautiful lap and cot size quilts.

There are still open spaces at the work tables for additional quilters as well as many boxes of donated materials and batting so grab your sewing machine and tools and join us at our next meeting, October 7, 2019.

We look forward to seeing you there! However, if you can't make it on the 7<sup>th</sup>, don't forget we will also meet on the 21<sup>st</sup>. (First and third Mondays for the foreseeable future.

## Dialysis Mitts

At the workshop, to the right of the entrance to the yarn hall, you will now see that the wire rack has been loaded with yarn and patterns for both knit and crochet mitts to be used by patients undergoing dialysis treatments.

These mitts are very quick and easy to make, and we have lots of places to which we can send them. Next time you are at the workshop, please take a skein of yarn and a pattern or two. The weather is getting colder and the dialysis process results in cold hands at the best of times. Thanks so much.

### Episcopal Campus Ministry at VCU

From the Heart has been contacted by The Reverend Kimberly Reinholz, the campus ministry chaplain for Episcopal Campus Ministry at VCU. Rev. Reinholz would like for her students to start making caps for From the Heart. If you would like to volunteer to teach basic crochet skills on Wednesday, October 30<sup>th</sup> at noon, please contact Tricia Ennis at 804-683-9015 or email her at [triciaennis2014@gmail.com](mailto:triciaennis2014@gmail.com).

### Current Needs - October 2019

#### Richmond and Surrounding areas have a need for:

- Baby items including blankets and hats. If you make a hat for a baby, please use a solid color yarn as they are easier to match with a blanket than those made with variegated yarn.
- Acrylic hats in adult sizes (see patterns at the back of this newsletter).

**Fredericksburg/King George has a need for:** Please remember we need items for men as well as women. We rarely have many things for men except winter hats.

- Cotton blend hats in all sizes
- Winter hats
- Lap and large blankets
- Walker totes
- Wheelchair totes
- Book totes
- Shirt protectors

We give you our current needs because these are our most pressing items. Feel to work on whatever you enjoy. We can find an outlet for anything you donate.

Please let her know if you would like to volunteer as a workshop Elf in October.

The winner of the workshop Elf prize for September is Nancy Wright. Please pick up some nice yarn for your personal use next time you are at the workshop, Nancy.

### Tip of the Month

“Trick or Treat” tips for using markers when knitting. Many packets of stitch markers come with two colors. I like using the green/purple ones because they are easy to associate.

'GREEN' usually means 'GO' or 'Start'...but when knitting, it may signify the 'right side' of your work.

'PURPLE' may then signify 'the wrong side' of your work. ...or in other cases, the pattern row as purple and pattern both begin with the letter 'P'.

Once I have cast on all the necessary stitches, I typically place markers along the way, every xx number of stitches. This helps to keep track of stitch counts quickly and identify when you may have dropped a stitch. Just remember, when placing markers on your needle, the right side of your work should always begin with green markers, and end with purple markers.

When you turn your work to begin the wrong side, the purple markers will be in place to remind you'll be on the wrong side or back of your work.

If you put your work down for a moment or a few months, you won't have to guess at which is the RS or WS...just check the color markers at the start of your row.

### Elf Training & Refresher Workshop

Several Board Members hosted an informative Elf Training and Refresher Workshop held on September 7<sup>th</sup> for current Elves and new Elves. If you missed the refresher/training, you will want to catch up on several new items.

We now accept loomed hats and cowls for Fredericksburg distribution! This is a major change to our previous policy regarding loomed hats. Please place

any loomed hats or cowls on the table just as you enter the workroom with a note that these are for Fredericksburg.

Also, after bringing the chair and sign in from outside, please turn the chair and sign in such a manner that anyone outside can see our From the Heart sign from the sidewalk.

Please do not leave items on Linda's table in the workroom. This is the table with the clipboards, supplies, etc.

Elves were reminded that their safety is our primary concern. If you feel uncomfortable entering the workshop by yourself, just wait until someone else arrives before unlocking and entering the building. You can also lock the doors if you do not feel comfortable with someone walking around outside. During inclement weather, the workshop is closed if any of the local public-school systems are closed.

If you ever have questions about how much yarn someone is asking to take out or any issue that may arise, just give Tricia or any of the Board Members a call. Their phone numbers are listed in the workroom. Taped on the table in the front room is a copy of general duties for Elves. As a reminder, please review them again here:

### **So, You Are Thinking About Becoming an Elf** ...and you want to know what would be required

You would have to:

- 1) Unlock the doors, front and back, turn on lights when you arrive (morning shift)
- 2) Put on your name tag
- 3) Put out the chair and sign so people know we are open (unless very windy or rainy)
- 4) Tag incoming items and place them on the table or the bins in the distribution room. Only place items in the bins if you are sure of the correct bin. Otherwise, please leave them on the table
- 5) Ensure that people use the log correctly by signing in what they donate and signing out yarn they take to use to create items for donation (important as we need to account for what comes in/goes out)
- 6) Make new tags if needed (all materials are supplied). You can find the un-punched tags, if you need them, in the credenza under the printer
- 7) Clean up the workshop as needed (dump small trash cans into large container behind red, white and blue shelf, dust and vacuum if needed, store all food items). If the floor needs to be vacuumed, there is a vacuum in the closet off the hallway
- 8) Bring in the chair /sign and turn off the lights at the end of the day

- 9) Fluff the pillows on the sofas and chairs
- 10) Lock the front and back doors when leaving (afternoon shift – **REMEMBER** to scramble the lock box on the front door and double check both doors)
- 11) Smile, be pleasant and greet everyone who comes in – VERY easy for From the Heart volunteers
- 12) Please dust flat surfaces when they need them.  
There are cleaning supplies in the bathroom, along with paper towels

That's it. Easy as pie. Plus, your name is entered our monthly drawing (once for every time you volunteer that month) and you may win the opportunity to select some of the nicer yarn in the workshop to use for a personal project 😊

The first couple of times you volunteer, a seasoned volunteer will be assigned to work with you to show you the ropes. Please think about volunteering a couple of hours of your time. Contact [Ann Robbins](tel:804-270-6247) at 804-270-6247/ 804-921-1174, [Tricia Ennis](tel:683-9015) at 683-9015, [Jacqueline Muoio](tel:804-840-468) at 804- 840-468, or [Kulla Ficare](tel:804-263-5480) at 804-263-5480 for more information.

### **Fredericksburg Harry's Alehouse Restaurant Charity Night**

Join us for dinner at Harry's AleHouse Restaurant (Harrison Crossing near Home Depot) Monday November 18<sup>th</sup>. They are doing another From the Heart charity night like they did in March. From the Heart Stitchers will receive 10% of all sales from 4PM-10PM. Last time they donated \$350! Everyone who had dinner there last year really enjoyed it. The food is very good and there is always a Monday night special. Spread the word and we look forward to seeing you there.

### **Secret Santa**

From the Heart's first Secret Santa Event on Saturday, December 14<sup>th</sup> will include a voluntary Secret Santa gift exchange. Please let Tricia know a) if you plan to attend this event and b) if you would like to take part of the Secret Santa exchange. Gifts should be small, not over \$15 in value, and hand made. We will also have a small raffle which everybody can participate in, Secret Santa participant or not. All attendees will be given a ticket.

This event will be held at the workshop on Westbriar Drive and will be a pot-luck lunch. You will be asked to bring a dish at a later date but go ahead and mark the date on your calendar now and don't forget to let Tricia know you will be attending as she needs to know the number of attendees for planning purposes. From the Heart will supply plates, napkins, cutlery, and drinks for this event.

## Fredericksburg “Waste Not” Workshop

**Date:** Saturday October 26, 2019

**Time:** 10:00 a.m.–4:00 p.m.

**Location:** Ruritan Building - [5994 Plank Road, Fredericksburg](#) (Between Battlefield Dental and the Fire Station just east of Andora Drive on Rt. 3.)

We will have yarn, patterns and help available. We will again hold a yarn swap - bring those skeins you don't like and swap for something you would like to work with. Is there something you need help with? Bring it with you and we will find someone to help you.

Something you want to learn? Let me know asap and we will try to add a class for that topic. See how leftovers can make up into useful beautiful items. All items completed will be delivered to various groups in the community. Bring your tools and a dish to share and come for a fun filled day! Plates, napkins, cups, bowls, utensils, coffee, hot tea and bottled water will be provided. The building has a large kitchen for our use.

We have 2 classes scheduled:

- How to crochet 2 rows at one time
- Demo of how to sew totes
  - Book tote
  - Wheelchair
  - Walker

We will need both a setup and clean up team so let us know which you are able to help with. For more information or to volunteer to demonstrate, contact Pam Greswolde at 540.661.7967 or email at [pegreswolde@comcast.net](mailto:pegreswolde@comcast.net).

### Save the Date(s) for Fun, Fellowship and Perhaps Volunteering to Help

From the Heart has several events planned for this coming Fall. You might want to jot these dates on your calendar now to be certain you keep them free for FtH fun and fellowship. Opportunities for volunteering are noted in bold. Please contact Tricia (804)683-9015, [triciaennis2014@gmail.com](mailto:triciaennis2014@gmail.com)) if you would like to be part of any of these events. For Fredericksburg events, contact Pam Greswolde at (540)661-7967 or email at [pegreswolde@comcast.net](mailto:pegreswolde@comcast.net).

### Coming Soon - - Mystery Shawls!

Are you ready for a new Mystery project? The response for the Mystery Blanket project was overwhelming. Once again, the call went out and our “angels in disguise” spread their wings and created 60+ beautiful blankets from left over yarn of every color and texture.

And, since we are always in need for wheelchair shawls (which can serve double duty as lapghans for wheelchair patients) we are preparing new Mystery Shawl bags with a choice of patterns for both knit and crochet. The bags are not ready yet but stay tuned for an email notification when the bags will be available for pick up!

### Visiting the Workshop After Hours

Please do not visit the workshop after hours unless Tricia or another Board Member knows about it. Our neighbors do keep an eye out and are concerned if they see people coming and going at odd hours. Also, it violates the “2 person” rule. If you absolutely **MUST** visit after hours, be sure you lock the door while you are inside and lock and check the door when you leave. Please do not unlock the back door at all if you have to visit after hours.

## Just an All-Purpose Knit Hat (One size fits most heads)

### Materials:

2 colors worsted weight yarn

Size 8, 16" circular knitting needle

### Abbreviations:

K Knit

P Purl

### Pattern:

This pattern requires a multiple of 4 stitches to perfect the 2 X 2 ribbing pattern.

Casting on 64 stitches with color A and join to work in the round, being careful not to twist work. At color changes, twist yarns to prevent gaps in stitching.

**Row 1 Color A:** Knit 2, Purl 2.

**Row 2:** Attach color B and continue in Knit 2, Purl 2 pattern.

Alternating between colors A and B, continue K2, P2 ribbing ending with row 9 (which is color A)

With color B work 8 rows of K2, P2 ribbing

Beginning with color A, work another 8 rows of alternating colors as in first section, ending with color B.

Continuing with color A work 8 rows of K2, P2 ribbing.

Beginning with color B, complete one more 8 row section of alternating colors, ending with color A.

Now, start your decrease rows as follows, using color B:

**Row 1:** Knit the knit stitches, purl the two purl stitches together. Do this for the entire round. 48 stitches remain. At this point change to either magic loop method, double points or add second circular needle.

**Row 2:** Knit the two knit stitches together, purl the one purl stitch. Continue this for the entire round. 32 stitches remain.

**Remaining rows:** Knit two together until only about 8 stitches remain.

Cut yarn, thread thru remaining stitches, snug up tight and weave in all ends.

**Note:** To make hat larger or smaller, change stitch count by multiples of 4, though the written size fits most and with cuff turned up will even work for a small child.
