

## In Lois' Absence – December 2019

Last month's Newsletter contained a list of a number of people who had stepped up to take on additional responsibilities while Lois is away on sabbatical and a request for volunteers. Thank you to all who stepped up in response to that. This month, I'd like to fill you in on some of the changes made "in and around" the workshop.

We have changed some aspects of the layout of the yarn in the yarn hall. The baby yarn has been moved near the sock yarn section in the back as we have gone through our 100% wool and donated a large portion of the older wools to a local group called Scrap RVA (a reuse and

sustainable behavior store in downtown Richmond), to a teacher's store in Richmond and to some of the local school systems for use in their art programs. The yarn we gave away had been sitting in the workshop unused for quite a while as it was 100% wool but, now, it is serving a purpose albeit outside of From the Heart. The red/white/blue yarn has been moved to a shelving system near the back of the workshop, in a very visible area. We have reserved a few cubbies for the "project of the moment" so that when we have a special request, such as the white blankets for MCV, members will know where to go to get the yarn for that project. Many of the shelves now have large, legible signs denoting what type of yarn is housed in that set of cubbies.

The back-to-to back pattern walls in the rear of the workshop have been updated and re-organized. Take a look next time you are in as the samples on display are clearly visible and the patterns for them easy to reach. Hopefully, samples will be switched out on a regular basis.

Other changes will be coming, and I would be delighted to hear from any of you who have ideas about how to reorganize anything you think needs reorganizing. Not that the Board would implement all suggestions, but we would definitely consider them.

There are times when things don't exactly go as planned at the workshop... the temperature is too low or too high, the back door alarm does not work, the two Elves are

slammed because the workshop is full but someone needs something fast as they left the dog in the car while they dashed in, one of the lights in the Distribution Room has blown, the toilet is running non-stop, we are just about out of teddy-bears, paper towels, etc. If you are an Elf, you might have run into an emergency situation where you are unexpectedly late as the tire on your car has gotten a nail, the doctor is taking way too long to get to you, or the person hasn't arrived to fix your cable although s/he should have been there an hour ago. You know what I mean. These things happen to all of us but what to do about it when so many people are depending on a smooth-running workshop?

Beth Williamson (see photo) to the rescue ☺ Beth has agreed to be the liaison between the From the Heart workshop and the From the Heart Board. Beth is very knowledgeable about From the Heart and is usually at the workshop on Wednesdays, Thursdays, and Saturdays. As with everything From the Heart, Beth is doing this on a volunteer basis and may not be always at the workshop on these days but, when she is, she is willing to be the go-to person at the workshop on a day-to-day basis and she will simply report back to the Board what she did and let the Board know if we need more Teddy-bears, r/w/b yarn, someone to fix the toilet, or whatever else arises. Obviously, there may be issues that Beth feels she cannot address and, these, she will pass directly to the Board for handling.

I'm not going to give a list, but many people have been involved in helping to make these changes and it is the hope of the Board that they will assist in making the day-to-day running of the workshop easier on everybody. My very sincere thanks to all involved.

## Harry's Alehouse Restaurant Charity Night

Once again everyone had a wonderful meal. The restaurant was very busy and lots of the customer were From the Heart members.

Thank you to everyone who came out to support our charity night. A great big Thank You to Harry's Ale House for once again having a charity night for us. The event raised \$345 for us to replenish our supplies.

## Mystery Shawls Yarn Selection Day is Here

Are you good with color choices? Do you like putting different colors and fibers together, knowing that the end result will be beautiful? If so, please let Tricia know you would like to be part of the Coordination Team for putting our Mystery Shawl bags together. Tricia's info is email: [triciaennis2014@gmail.com](mailto:triciaennis2014@gmail.com) and phone: (804)683-9015. We will meet at the workshop at 10:00am on Thursday, December 5th and make as many bags as we can.

Kits will be available on the rack in the front room of the workshop from Saturday, December 7<sup>th</sup> for members to take home and create beautiful mystery shawls. There will not be patterns in the bags, but patterns will be

available for you to choose from. We will have a total of 5 choices – 3 knit and 2 crochet. Please remember to sign out any bags you take.

## From the Heart 2020 Retreat

Reserve the date now! **Saturday, August 22, 2020.** Once again, we will hold the Retreat at The Place in Innsbrook and the suggested donation to cover our costs will be \$40.

This year we will be offering only two classes, one knit and one crochet, one in the morning and one in the afternoon. The classes will only be offered once but, as a result, we will be able to seat more people for each class. We will take up to 30 registrants, but we will need one teacher and 2 assistants for each one. Participants will have to register in advance and those who have not registered will not be permitted to take the class. We are hopeful this will cut down on the noise in the room when classes are going on. Topics and registration dates will be released later but please let Tricia or Kulla know if there is a particular class you would like to teach OR a specific class you would like to teach. Contact info:

Kulla Ficare: [Kulla.ficare@verizon.net](mailto:Kulla.ficare@verizon.net), (804)263-5480  
Tricia Ennis: [triciaennis2014@gmail.com](mailto:triciaennis2014@gmail.com), (804)683-9015

We have decided on a theme; “Woodland Fantasy: Imagine if we could bring even more comfort to even more people.” Put your thinking caps on and send your ideas to Kulla or Tricia. From the Heart got started under the stars (well, OK, in a Starbucks), we make a lot of items for animals, we are expanding our outreach to other areas. Should we, maybe, consider a pattern book containing primarily patterns with animals featured on them. Hats, with antlers on them, for children? Quilts from our quilting group with Winnie the Pooh and a honey pot? Cradles for injured animals? If we do decide to make a new pattern book, we will need to get moving soon so, if you have any idea, submit it soon. Indeed, as a preliminary step, would you like to see a new book for this Retreat? One idea would be to create a book which addresses techniques. For example, do you knit/crochet toy animals for children in need? What techniques do you use? Can your process, from start to finish, be separated into a) this is the process and b) here is a pattern to make an ? from using the process

Let's use “Short Rows” to illustrate. The first section would be the technique, the “How To” of short rows. Then, patterns would follow which use the short row technique. In this instance, we could add a pattern to make a shawl which looks like a butterfly, using short rows. Just an idea I had. What are yours? Send them to Kulla or Tricia.

Do you want to “dress up” for the Retreat? You could be a fairy, an Elf, a rabbit, a gnome, or even a vine covered tree. How about creating a hat that looks like it is made from moss or a necklace created from acorns? This theme could result, potentially, in the best fun ever.

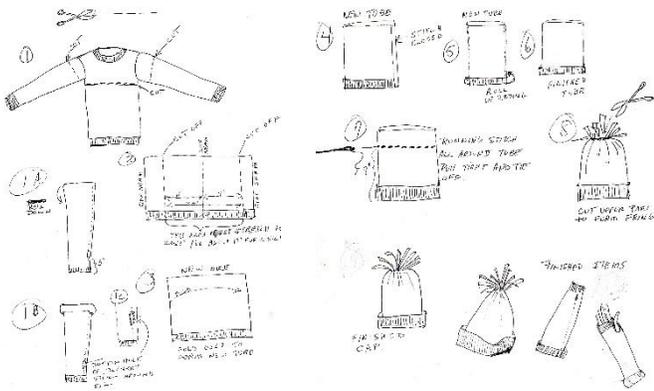

## Turning an Old Sweater into a Hat and Mitts

The beautiful hat and mitts in the photo *used* to be an old wool sweater, bought at a thrift store by member Marcia Reed. As you know, there are often beautiful “old

fashioned” sweaters in thrift stores for a very good price. Marcia has kindly written out the method by which she achieved this wonderful transformation. What an absolutely inspirational way to “re-use, reduce, recycle”. Thank you, Marcia. 😊

\*\*\*

Use a wool sweater. Wash and dry. It should shrink like boiled wool but still have some stretch. The sleeves will become the mitts and the lower body will become the fringed cap.

- 1) Cut off the sleeves about 1” below the armhole.
  - i) Roll the cut part of the sleeve down two times about 1” for each fold.
  - ii) Cut a 1 ½ “ slit very close to the sleeve seam and about 3” up from the edge of the sleeve cuffs.
  - iii) Use yarn to do a buttonhole or blanket stitch around the slit to finish the raw edge.
- 2) Cut the lower body off at just under the armpit. Discard the upper section. Cut down the side seam and remove the bulky seam. Open flat. Use the remaining side seam as the center to measure for cap width. You will need the knit to **stretch** 22 to 23 inches for an adult cap and 17 inches for a child. Use the center seam and measure out from there for that measurement
- 3) Cut off the remaining part of the sweater and discard.
- 4) Use yarn or machine to stitch the raw edges closed to form a tube.

- 5) Roll the lower ribbing up once.
- 6) You now have the finished tube.
- 7) Measure from the bottom of the folded ribbing up 9” and mark this spot.
  - i) Use yard and do a running stitch all the way around the tube. Pull as tight as possible, secure and tie off.
- 8) Now cut from the top of the cap down to the secured stitching ¼ inches to form the fringe.

## Current Needs - December 2019

### Richmond and Surrounding areas have a need for:

- Acrylic hats and scarves, mostly children’s, for Christmas Mothers in Cumberland and Goochland
- Knit or crocheted toys for Christmas Mothers

### Fredericksburg/King George has a need for: Please remember we need items for men as well as women.

- Baby items
- Blankets of all sizes
- Totes – book, walker and wheelchair

We give you these needs in the event you want to create these items, but you don’t have to, as we prefer our volunteers create whatever makes them happy. We can find a new home for anything you care to make.

In the spirit of the season, you will find a pattern for a knitted Grinch at the end of this Newsletter. The pattern can be easily modified to become something else. At this time of year, one sometimes needs a quick, easy last-minute gift. This alterable Grinch may be perfect for that need. Just bear in mind that if you are making this for a younger child, you should embroider the facial features, rather than use buttons.

## Hours, Dec. Scheduler & Nov Elf of the Month

The From the Heart workshop is open from 10am until 2pm every Tuesday, Wednesday, Thursday, and Saturday. Jacqueline Muoio is the December scheduler and she can be reached at [msjbangles@yahoo.net](mailto:msjbangles@yahoo.net) or by phone at (804)840-4687. Please let Jacqueline know if you would like to volunteer as a workshop Elf in December.

The From the Heart schedulers are:

- Ann Robbins: [aerobbins@live.com](mailto:aerobbins@live.com), 270-6247 (h), 921-1174 (c)  
 Tricia Ennis: [triciaennis2014@gmail.com](mailto:triciaennis2014@gmail.com), 683-9015  
 Jacqueline Muoio: [msjbangles@yahoo.com](mailto:msjbangles@yahoo.com), 840-4687  
 Kulla Ficare: [Kulla.ficare@verizon.net](mailto:Kulla.ficare@verizon.net), (804)263-5480

The winner of the workshop Elf prize for November is Keyser Glancy. Please pick up some nice yarn, maybe some leftover Dollar Daze yarn, for your personal use next time you are at the workshop, Keyser.

### Inclement Weather Reminder

Winter is coming so, as a reminder, the From the Heart policy is “If the schools are closed, or opening late, the workshop will be closed.”

This rule applies regardless of where you live. In

Richmond, we look at Chesterfield, Henrico, Hanover, and Richmond City schools. In Fredericksburg, it would be Spotsylvania. If your schools are closed/opening late, your meeting spot will be closed. A notice will be sent out on Friday evening, as the schools cannot be the guide, if we are not opening on Saturday

### Save the Date - May 23, 2020

Our Richmond Area Yarn Swap, Leftovers Workshop and Potluck Luncheon has been scheduled for Saturday, May 23, 2020, from 10:00am until 3:00pm at the Brandermill Church in Midlothian. More details will follow but, currently, we are planning a raffle, a mini workshop, a yarn swap, and a potluck luncheon. Mark your calendars now so that you won't forget and be on the lookout for more details as they become finalized.

### Tip of the Month

#### Increasing when Working with Multiple Strands

**Crochet:** Instead of going into 4 strands of yarn when working 2 yarns together, only go through 2 to increase a stitch count and reduce the bulk.

To increase one stitch, first pick up only two pieces of yarn and complete one stitch.

Next in the same stitch, pick up two pieces of yarn again and make your increase stitch.

The result is one increased stitch without the bulk!

**Knitting:** When working with 2 yarns together, make an increase by knitting into one strand of the stitch twice.

Knit 1 strand of the stitch.

The result will appear like a regular stitch.

Now knit the second strand of the same stitch.

### For Your Browsing Pleasure

*“One of the most popular and prolific sites is Knitting Paradise. Stay out of the political discussion and everything will be great. KP goes around the world and shows how wide spread our crafts are. Patterns by the hundreds are available free and there are patterns available for purchase. There is an interactive area for help and explanations for pattern problems and it is always varied and interesting. There is something to be learned from this site every day and everyday a new page goes up. Be careful you can spend hours on this site.”*

### December Calendar of Local Group Meetings

The December Local Group Meetings are given on the monthly calendar at the end of this Newsletter. Please be aware that although every effort has been made to ensure it is correct, it would be a wise idea to check with your local group leader at the times immediately surrounding the larger holidays, such as Christmas Day.

We wish you all a safe and happy Holiday Season

## General Directions For Grinch-Like Hand Puppet:

**MATERIALS AND TOOLS:** Small amounts of green, red and white yarn. A couple of large red buttons. Set of five size 6 DP needles. Crochet hook. Scissors.

### HEAD:

With two DP needles, and GREEN yarn, cast on four stitches (leaving a tail about 3 or 4 inches long) and make about two inches of i-cord.

Put each of the four stitches on a DP needle, and knit around, increasing one stitch in each, for a total of 8 stitches. (this is annoying to do)

Next row: K 8

Next row, K1, increase one, K 1 on each needle, for a total of 12 stitches.

Next row: K 12

Next row, K 1, Increase one, K2 on each needle, for a total of 16 stitches.

Continue in this manner until you have 32 stitches.

K 32 for about six rows.

Next row, K 1, K2tog, K5, for a total of 28 stitches

Next row, K 28

Continue in this manner until you have 20 stitches

Next three rows, K 20.

### BODY/SWEATER: (Switch to RED yarn.)

K 20 in red.

There should be five stitches on each DP needle.

They need to be distributed so that one group of five is centered under the “face” of the puppet and another is centered under the back of the face. Move them around if you need to.

Beginning at the back, K 4 YO, K1, YO, K4, YO, K1, YO, K4, YO, K1, K 4 YO, K1, for a total of 24 stitches.

Next row, K 24

Next row, K5, YO, K1, etc.

Next row, change to white yarn.

Continue increases and color changes until you have four stripes. You should have about 60 stitches (or thereabouts)

Place 20 stitches on holder (for arm) K 20, place 20 stitches on holder, K20.

Change to RED yarn

K the remaining 40 stitches for about two inches.

Change to WHITE yarn.

K2, P2 ribbing for about six rows and bind off.

### ARMS:

Move the 20 stitches from one of the holders onto your DP needles and join in RED yarn.

K around for about 20 rows.

Change to WHITE yarn.

K2, P 2 ribbing for about four rows.

Change to GREEN yarn.

K 20.

K2, K2tog all around.

K all around

K 2, k2 all around

Continue in this manner until you have five stitches.

Pull yarn through remaining stitches and fasten tight.

### FINISHING:

Cut a few 6-inch pieces of GREEN yarn and tie in with the tail at the top to create little “pouf.”

Weave in “danglers” from color changes. **Securely** sew on some googly eyes (buttons). For younger children, do not sew buttons, embroider facial features on puppet.

DONE!
