

**KNIT WHEELCHAIR SHAWL #1
(I-CORD EDGE)
Larissa Karp and Kulla Ficare**

NOTES:

1. Pattern is made using garter stitch.
2. Increases are made on the front/right side only.
3. An I-cord edge is worked as you knit this pattern at the end of each row for a finished edge. (Remember to YF before slipping last 3 STS to R needle.)
4. Use scrap yarn to mark the front/right side of the shawl. Pins may slip around and you may not be able to tell which side you are on.
5. Markers are used as reminders before the end of the row and to remind you to YO before and after a single knit stitch in the pattern.
6. Slip all stitches as if to purl.

Bind off loosely using [Grandma's Favorite Bind Off](#). Purl 2 STS together by wrapping the 2 STS **clockwise**, (this is the opposite method for wrapping a Purl ST) move the bound off ST from the right needle to the left needle and repeat across. Or, use your favorite method for a loose bind off.
