

Letter from Lois – June 2020

One more month of this is behind us and we are one month closer to reopening our workshop. Spending time with our friends doing what we love. Doing what is needed by our community has been put on hold for long enough! Cabin Fever has set in and we truly need to get our lives together again.

We thank you all so much for continuing your stitching. I just know when our recipient's doors are open to us again, the need will be overwhelming!

But, with your continued dedication we will certainly be prepared! When first starting to bring your projects in, please, please be certain they are wearing our From the Heart dove tag! With our limited space we will be sending out our bagged items almost as fast as they come in the door so without a dove tag your items may be stashed in a closet until someone has time to do the task of tagging and preparing them for donating. With the need we will be facing we will need everything ready to go out as quickly as it comes in!

We do realize that scheduling and stitching together changes face us. It is possible we just will not, anytime in the near future, get back to what we consider "normal". But that is okay. We are flexible, we are adaptable, we will form our own "new normal", a normal that fits us perfectly. Our recipients will slowly begin reopening and ask for our projects, a part of our normal, and we will be ready for the calls!

Keep your chin up! Enjoy every minute you have with your stitching and family. Hopefully, very soon we will be seeing your smiling faces and hear just how you spent your months without us!

We miss you and are so anxious to see you, once again coming through the workshop door, bundles of tagged projects in your arms and a great need for more YARN!

Our best to you,

Lois

Reopening the From the Heart Workshop

After much thought and deliberation, the From the Heart Board has decided on Wednesday, July 1st as the target reopening date for our workshop. This is subject to change, of course, as the Commonwealth begins to work its way through the process of returning to "business as close to normal" as possible. Because we will be operating in accordance with both the CDC and local recommendations, our plans may need to be modified. When we first reopen, we will only open for 2 hours, from noon until 2pm, and we will have certain

stipulations that we will expect everyone to adhere to.

The number of people allowed in the workshop will be limited to the number recommended by the CDC and will include social distancing. We are currently looking at a total of 7 people, including the 2 Elves.

Only one person will be allowed in the yarn hall at any time, for a limited period of time, and with time allowed between people being in the hall.

Everybody in the building will be required to wear a mask. This will not be a recommendation; it will be a requirement.

Temperatures will be taken, using a non-contact infrared thermometer, prior to entering the workshop.

We do not recommend the wearing of gloves in the workshop, but everyone will be required, immediately following having their temperature taken, to go to the bathroom and thoroughly wash their hands.

Should anybody need to use the bathroom while at the workshop, they should flush with the lid down, and wash their hands thoroughly before coming back to the seating area. In addition, they will be required to wipe down the faucet, flusher, and light switch with disinfectant which will be available in the bathroom. One must follow the instructions on the label of the disinfectant when cleaning the bathroom after use to reduce the spread of germs.

We will have hand-sanitizer for people to use if they feel a need to do so. This will not be in lieu of handwashing.

Elves will sanitize the flat surfaces, doorknobs, light switches, etc. before leaving the workshop. Elves will be the only ones allowed to log in/log out items and pens will be wiped following every use.

People will be asked to "register" to attend the workshop when we first open in an attempt to achieve social distancing while we are navigating our "new normal".

Reopening the workshop brings to mind that all of you have been working on projects while we were closed. We are asking that you NOT return what you have made immediately upon reopening as our clients may not yet be in a position to receive them. Please continue to hold on to what you have made until we ask for you to bring them in. We are also asking that you tag them before bringing them in or the job will be monumental.

You should keep in mind, when deciding to return to the workshop, your own level of comfort. We will take all the precautions we can to ensure the safety of all our members, but we do not want anybody to feel obligated in any way to attend. You need to return to a "normal"

life in a way that makes you feel comfortable and secure. This particularly involves the Elves who may not feel comfortable volunteering. No Elf should feel obligated as we begin this process of reopening when we have the capability to do so, on a day-to-day basis if that is what it takes initially.

Above all else, we ask that no one attend the workshop whether as a visitor or an Elf, if they feel in any way ill or have a fever, even a very low-grade one.

Thank you all for your patience as we have gone through this ordeal and I look forward to seeing you all again soon. Please feel free to contact me if you have any questions or concerns and stay tuned for further updates.

From the Heart Tags

We are asking that you tag anything you have made before bringing it in and have added the opportunity for you to pick up tags at our Drop Off/Pick Up events.

If you would like to volunteer to make the tags (i.e., hole punch them and add the ties), please contact Tricia at (804)683-9015 or triciaennis2014@gmail.com.

From the Heart 2020 Retreat – Woodlands

We continue to operate under the assumption that our Retreat will be able to take place on **Saturday, August 22** and you will find a registration form at the beginning of this newsletter. If it happens, through no fault of From the Heart, that the event is canceled, the Place at Innsbrook has agreed to allow us to reschedule a day at any time within a full year after August 22nd and apply our deposit to that date.

If it does become clear that we will not be able to hold our Retreat, anybody who has registered will be given the opportunity to have their registration fee applied to the new date. Should the new date not be suitable, for any reason, to any of our registrants, their registration fee will be refunded to them.

Our morning class will be “How to Create a Crocheted Snowflake”, with instructor Lois Little. Lizard Harper will teach a knitting class on “Mitered Squares” in the afternoon. All supplies will be provided. Please note that you must register in advance to attend a class and you must have already registered for the Retreat.

Current Needs – June 2020

We are asking that you store any items you make, in your own home, until all the chaos around COVID-19 has settled down. Once all is normal again, there will be a much larger than normal need for items among our clients. Therefore, anything and everything you create during this time will find a good home at a later point. We are requesting that you please tag items before bringing them in once we reopen. To print tags (tags should be printed on white card stock), please click [HERE](#). As mentioned earlier, you may also pick up tags at any of our designated drop off/pick up events.

Richmond and Surrounding areas: Note that we are arranging drop offs of these items at the Workshop so please keep your eyes open for those dates and times. If you know of a need and can deliver any items yourself, please let Lois (804)315-4971 know how many you have delivered.

- Fabric Masks
- Ear Savers/Protectors
- Paired knit or crochet Comfort Hearts, preferably pink or red but any color will work. These need to be approximately 2.5" across
- Baby Hats

Please take note that when dropping off items at our drop off events, they need to be in plastic bags with the number of items and the date of bagging noted on the bag. If you are dropping off Comfort Hearts, please also note whether they are made from cotton or acrylic as they are being use for different reasons. Please have only one type of item in a bag.

Fredericksburg/King George has a need for:

- All and anything you enjoy making
- If you are making surgical caps, masks, or anything else for the pandemic, please contact Pam (540)661-7967

Tip of the Month : Low Tech Row Counter

If you are like me, you can lose count of what row you are on when knitting – especially with small portable projects like socks. This is a clever trick that Jen Arnall-Culliford shares in one of her many YouTube videos: <https://www.youtube.com/watch?v=WOLp-N12yyI>

This technique, of flipping a length of yarn through your work at landmark areas of your project, e.g., on increase rows or after working a cable repeat row, is also handy when your stitch count may change with each row due to the pattern design. You should use something that is smaller than the yarn you are using to avoid a distortion of your stitches, especially if used in the middle of your project. Un-waxed dental floss is what I like to use for this and my horizontal lifelines.

Here is an example of carrying a contrast yarn up the side of cable work knit flat. You can see that yarn is flipped into the work at the beginning of a pattern repeat and the yarn is flipped out at the end of the multiple row count.

When working socks in the round, Ann demonstrates the yarn as a row marker for the increase rows in her sock knitting.

Ann suggests turning to the inside of the sock to count rows if you want to double check as the purl side is easier to see and count rows.

Ann demonstrates how to mark another increase row while knitting in the round. The yarn is flipped forward. After the next several rows when she is ready to start another increase, the yarn will be flipped between the needles towards the back of her work.

Future Fredericksburg and Richmond Events

The Fredericksburg Spring Workshop has been rescheduled for August 1.

The Fredericksburg Fall Workshop is still scheduled to be held on Saturday, October 24th and you will hear more about that as the date draws closer.

The Richmond Area Spring Workshop originally scheduled for May 23rd is awaiting rescheduling.

Further details will follow on all three events.

Calendar Updates for June 2020

With the Commonwealth of Virginia slowly beginning to open up, some of our local groups may start meeting again, especially towards the end of the month. Each group leader will evaluate the situation separately and decide whether to meet or not. Before you head to ANY meeting, please check that the group is actually meeting. Even once your meetings open up again, please DO NOT attend if you are feeling unwell, have a headache or even so much as a low-grade fever.
