

Letter from Lois – January 2021

Ahhhh...!! 2021 is here! A brand new, clean slate!

Take a look at this picture. These little daffodils opened back in December, as they do every year. I feel they are our symbol of From the Heart. Ice, snow, rain, wind or COVID 19, nothing can keep us down!

We keep our eyes forward, heads level and hearts full of hope, love and caring.

I just recently read the words of a man who was suffering from cancer. He said we need to have Enthusiasm, a Dream, and a Goal...With these we will always be successful! I think this is evidenced by the impact we have made during the past 20 years. We definitely have the enthusiasm, our dream of helping so many is being made possible by you, our energetic membership, and our goal...well, we seem to continue to reach further and further with our desire to make a difference in as many lives as possible.

You are all so important to From the Heart and to those who benefit from your caring nature. Please continue to stay safe, healthy, and full of desire to help those surrounding you...your communities!

Lois

Update: Richmond area FtH Yarn Pick-ups and Items Drop-Offs

Our weekly Sunday afternoon (1pm – 2:30pm) drop-off/pick-up events will start again this Sunday, 3rd of January. The plan is to continue until the weather makes it impossible to do so. No appointment is needed if you simply want to drop items off or pick up tags, a teddy bear, fabric, and/or Ziploc bags. What you drop off **must** be tagged with a From the Heart logo tag, tied on to the item in a bow **not a knot**, and placed in a securely closed, dated plastic bag. You can place more than one item in a plastic bag, but not more than one *type* of item may be put in a bag.

If you want to go inside the workshop to select yarn for your use in creating future From the Heart projects, you **DO NEED** an appointment. Each week, I will send out an email containing a unique link for you to use to make an appointment, using a program called SignUpGenius. This link will be different every week so please watch to use the latest email when you sign up to select yarn.

Please be aware that only people **with appointments** will be allowed to enter the workshop, **one** person per 10-minute time slot. If you do not have access to a computer but would like to reserve a spot to get yarn on Sunday afternoon, please phone me and I will reserve one for you, assuming there is one available.

Your temperature will be taken prior to your entering the workshop and you will be required to use the sanitizer on the front desk before going back to select yarn. Additionally, you **MUST** wear a facemask the entire time you are at one of these events, from the time you exit your car until you re-enter it to leave and you must practice social distancing at all times. As each visit is limited to 10 minutes, the bathroom will be off limits to all. Please bring your own bag if possible if you are getting yarn as we only have a limited number of bags at this time.

If you have any questions, don't hesitate to ask.

Amazon Smile Reminder

Even though the holiday season is behind us, many of us will continue to shop on Amazon throughout the year. Don't forget that From the Heart is now a listed charity on Amazon Smile. By using smile.Amazon, rather than Amazon, .5% of the cost of your Amazon purchase will be automatically donated to From the Heart. .5% may not seem like a lot but it does mount up over time and it costs you absolutely nothing. To automatically support From the Heart, click on the unique link below. Clicking this link enables you to skip the charity selection process and takes you directly to smile.Amazon where you will be automatically asked if you want to support From the Heart.

Holiday of Hope: Vessels of Mercy International

As many of you know, the organization Vessels of Mercy received many items from us to donate to those in need as part of their "Holiday of Hope" event. The following is from Vessels of Mercy's Facebook page.

"We have been so blessed by this amazing group "From the Heart" this year. From the Heart is a community-based volunteer organization that shares hope, joy, and comfort by creating and distributing hand-stitched items that improve the physical and emotional well-being of individuals who are sick or in need.

They provided hundreds of items that were distributed during our Holiday of Hope Outreaches recently. These needle artists put such love and creativity in every item

from hats, gloves, scarves, knitted toys, blankets, and more. Thank you for making this a Holiday of Hope for so many here in RVA."

Current Needs – January 2021

Please tag items before bringing them to the drop-offs. Please tie your tags in a BOW, not a knot, as the bow is easier for our recipients to undo. To print tags, go to:

<https://fromtheheartstitchers.org/members/>

Click on the "FTH Tags" tab and print on white card stock. Tags may also be picked up at any of our designated drop-off/pick-up events.

If you know of a need and can deliver any items yourself in the Richmond area, please let Lois (804) 305-4971 know what, and how many, you have delivered.

Richmond and Surrounding areas have a need for:

- Hats of ALL sizes, for both men and women, from baby sizes to adult. NO preemie hats.
- Mittens for both male and female, from small to X-large sizes
- Blankets of all sizes
- COVID-19 items, masks, ear savers, surgical caps continue to be needed

Fredericksburg/King George has a need for:

- Hats – all sizes, except baby, for males and females.
- Blankets of all sizes
- Walker totes – need both men and women (men's is most asked for)
- Book totes for men

If you are in the Fredericksburg/King George area and have any of these items ready, please contact Pam (540) 661-7967, to arrange for pick-up or delivery.

Patterns for most of these items can be found on our website, <https://fromtheheartstitchers.org/patterns/> but feel free to make whatever you feel like making.

For Your Browsing Pleasure

We all hope 2021 will be new and different so how about trying some new and different knitting patterns listed by appearance, alphabetically, and stitch count under knittingfool.com. All can be used effectively in scarves shawls etc. At mariasbluecrayon.com, get super crochet organized with a crochet project list, a crochet cheat sheet, and printable tags for labels for gifts. Knithacker.com has some wonderful T-shirts with sayings like "Why I Knit" which I love. Go to daisyandstorm.com to try Amigurumi crochet. Also, on that website, there are at least a hundred knitted washcloths/dishcloths with various patterns including Hope and Love which we all desperately need now.

How We Meet During the Pandemic

As we continue, at From the Heart, to make our way through this pandemic, many of our groups have transitioned to using some form of virtual process in order that they can continue to have meetings and be in “contact” with each other. Our monthly Board meetings, for example, continue to be held virtually. The From the Heart groups in both Charles City County and Heritage Public libraries are meeting in a hybrid fashion, both in person and via Zoom.

The below comes from Mickey Price, who leads up the Twin Hickory group, which meets twice a month on the second and fourth Friday. This group used to meet in the Twin Hickory Clubhouse but are unable to do so at the moment.

Mickey says,
“We offered a Zoom meeting to the members of our Knit/Crochet group and 6 folks accepted. We are still keeping to the same schedule of the 2nd and 4th Fridays of each month except for November and December. During the holiday months we meet only on the 2nd Friday.

The leader of the group signed up for Zoom (it’s free) and heads the meeting. Each member is admitted by the leader. We use the voice and video functions so each of us can see the others.

Since the pandemic is continuing, we are thinking in 2021, of inviting the members who did not show interest the first time to see if they are interested in participating now.

We talk about our projects and do show and tell. Then we just chat about what is happening and what we are doing during this pandemic. It’s a small enough group so it is very cozy and friendly.”

Perhaps, if your group is actually not meeting at all, you might want to consider doing something in a virtual way. It might not be as intimate as getting together as one group in one space, but it at least allows for interaction and some form of connection and communication between a group.

Calendar Updates for January 2021

I am continuing to update the calendar as I hear of more meetings which have made the decision to meet virtually or, in some cases, have decided they will not be meeting for the time being. If you are a group leader and there has been a change in how or when you meet, please let me know and I will amend the calendar.

As local mandates and recommendations continue to change in some places, it is particularly important to verify that a group is actually meeting before heading out.

We continue to ask that you DO NOT attend ANY meeting if you are feeling unwell in any way or if you have recently been in the company of somebody who was unwell. I also urge you to consider, if you have been in any large groups, whether it might be wise to take a few days, until you know everything went well, before considering whether you should venture out to either a meeting or a drop-off/pick-up event. From the Heart requests that all attendees at an “in person” meeting wear a face covering as a courtesy to others when attending any From the Heart event.

Tricia,

From the Heart wishes all our members a healthy and happy 2021
