## Letter from Lois – April 2021

FINALLY! Our temperatures are warming, the sun is shining, and glorious flowers are showing their beautiful faces all around us!

Our yarn pick up and project drop off is working well. Our talented fingers and minds are producing sooooo many items, it's almost mind boggling! Some Sundays we see as many as 1,000 to 1,200 items arrive, nicely tagged with our Dove tags, ready to offer good wishes and warm hugs for those in need.

A large number of our recipients are continuing to practice caution in allowing items into their facilities. However, many of our memory care, assisted living and hospices are still in need of blankets, stay-on (horseshoe style) shawls, fidget items and toys. We are finding that bright colors seem to be the most popular for these items as well as anything red, white, and blue. And a nice, warm shawl is appreciated by older recipients (including men), especially in warm weather when air conditioning is in use.

I know many of us are feeling the call to be outside now, the weather is so beautiful. It's been a long winter and some of us have endured unbelievable restrictions during the past year. But things are improving all around us and I'm feeling very optimistic about our future! From the Heart, hopefully, will soon be seeing a bit of normalcy and, fingers crossed, we are all on the road to recovery. I know I can hardly wait to see you all face to face again! I just can hardly wait to start gathering lots of lovin' hugs!

Continue to stay safe, take good care of yourselves and just know how much we all have missed you !!

*Lois*

### “Soft” Reopen of Workshop Planned for May

After more than a year of being closed, the Board has decided to reopen the From the Heart workshop on Saturday, May 1<sup>st</sup>. As the terms of our reopening are different from how we operated in the past, please take the time to understand them and don't hesitate to get in touch with me if you have questions. I will be sending out an email in the middle of April to further outline our plans, but the essence of our soft reopening is as follows:

1. The workshop will be open for TWO hours, from 11am until 1pm, starting Saturday May 1<sup>st</sup>
2. The workshop will be open on Tuesdays, Wednesdays, Thursdays, and Saturdays

3. You MUST reserve (using Signup Genius) a time to visit the workshop
4. You may reserve one of two times : 11am – 11:55am and 12:05pm until 1:00pm and not stay any longer than your time reserved
5. You will be able to select yarn for future projects while you are at the workshop
6. Sunday afternoon drop-off/pick-up events will continue to allow those who are not comfortable taking part in the soft reopen an opportunity to obtain yarn and drop off their completed projects
7. We ask that you continue to place your completed tagged projects in dated, closed plastic bags for the time being
8. There will be bins OUTSIDE the workshop for you to put completed projects in
9. In accordance with CDC guidelines,
  - a. Temperatures will be taken prior to your entering the workshop
  - b. Social distancing will be practiced in the workshop
  - c. Masks will be required to be worn at all times
  - d. The number of people in the workshop will be limited to a total of 7 (2 elves and 5 visitors) at any time
  - e. The elves will be responsible for sanitizing the workshop (hence, the 10-minute gap between time slots)
  - f. The bathroom will be available for use, with the requirements that the person using the bathroom close the lid of the toilet after use, wash their hands, and use a spray bottle of sanitizer to sanitize the toilet handle, the faucets, the light switch, and the door handle when exiting the bathroom. We will also ask that people try to not use the bathroom if at all possible

These are the general outlines of From the Heart's soft reopen. More details will be sent around the middle of April and, of course, this is subject to change as things move forward. We continue to stress that anyone who is feeling unwell, has been around anyone who has been unwell, or has been in a large crowd of people, NOT sign up until they know everything is good.

Because of the increased number of “shifts” this will necessitate at the workshop, please let me know if you have an interest in training as either an elf (person on duty while the workshop is open) or a Sunday worker. Contact information is below.

If you have any questions, please do not hesitate to email me at [triciaennis2014@gmail.com](mailto:triciaennis2014@gmail.com) or phone me at (804) 683-9015.

## Thank You to From the Heart

The following message was provided by Bev Gibson, Founder and CEO of Vessels of Mercy International, Inc. Bev and a team of volunteers recently returned from a mission trip to El Progreso, Honduras to provide compassionate relief to the residents there.

*“Our Vessels of Mercy International disaster relief team had the joy of taking beautiful toys on this trip that the needle artist had lovingly created at “From the Heart”. This country was hit in November by Hurricanes Eta & Iota in less than two weeks apart, destroying this country’s infrastructure, causing thousands to lose everything, including hope. The people were now dealing with a pandemic amid devastating destruction and loss.*

*As mothers stood in the long lines with their children to receive food and hygiene items, we had the opportunity to put smiles on faces by giving them the toys. It takes so little to give someone hope and to let them know they are not forgotten.*

*Thank you, “From the Heart” for being a part of putting smiles on faces not only locally but globally.”*

## Current Needs – April 2021

Please tag items before bringing them to the drop-offs. Please tie your tags in a BOW, not a knot, as the bow is easier for our recipients to undo. Tags can be picked up at any of our Sunday Drop-off/Pick-up events and a template to print them, on white card stock, can be found on the Members page of our website at:

<https://fromtheheartstitchers.org/members/>

If you know of a need and can deliver any items yourself in the Richmond area, please let Lois (804) 305-4971 know what, and how many, you have delivered.

If you are in the Fredericksburg/King George area and have any items ready, please contact Pam (540) 661-7967, to arrange for pick-up or delivery. If you deliver any items yourself in this area, please let Pam know.

## Tip of the Month

### How to Make a Crocheted Magic Loop

The crocheted "magic loop" (magic circle, magic ring), is the perfect way to start any crocheted item which starts with a circle such as a granny square, an octopus, or a top-down hat. This method leaves no opening in the middle of the starting circle as you pull the end of the yarn like a drawstring to close any potential hole in the middle. The below is for right-handed crochet but left handers can just flip the starting loop formation and then use left-handed movement working clockwise.

Make a loop at the start of your yarn with the yarn coming from the skein crossing OVER the loose end (should look like a lower-case e).

Insert your hook into the middle of this loop. Wrap the working over the hook from back to front as you normally would.

Draw the yarn through the circle, holding the crossed point of the circle as you draw up the so that it does not all come apart.

Yarn over to start a chain stitch, continuing to hold the circle as you make your stitch and draw the hook through the loop to complete the stitch.

Make a single crochet into the loop. The loop should be getting less loose at this point.

Make as many single crochets into the loop as you need stitches for the pattern. The loop (ring, circle) will still look fairly open to you at the point. That is fine as you will soon see.

Pull the end of the yarn to tighten the loop to bring the first turning chain and the last single crochet you made close together and join the circle with a slip stitch.

Pull the yarn end to close the "magic loop". Close the circle by pulling the yarn so that it is as tight as you want it to be.

Secure the end of the yarn well or your circle may start to open up with use.

## For Your Browsing Pleasure

Here are some alerts for FTH fiber artists. MICHAELS is in the process of being sold to Apollo Global Management. The store has had a 15% increase in store sales and a 50% increase in on line sales this year. The pandemic has caused an increased interest in Home Decorating as well as Crafts. Michaels is trending more toward their own private brand for yarn and will probably continue to do so.

Red Heart Yarn has had to search for new suppliers for their yarn this year. As there is no dye lot the yarn itself varies greatly from skein to skein and may be difficult to match, especially in texture. Buyer beware.

Easter is only 3 days away but small last minute Easter patterns can be found on Ravelry under "mini Easter". The mini baskets especially the "one egg basket" are cute. Check out [thewhoot.com](http://thewhoot.com) for more free Easter crochet and save this for next year. Knitters look up [mamainastitch.com](http://mamainastitch.com) for 7 pages of knitting patterns all different including some great yarn craft ideas while staying in.

## Fabric at the Workshop

From the Heart received a very nice donation of fabric ranging in sizes from pre-cut squares to several yards. Most of the fabric is pre washed 100% cotton perfect for many FTH projects including underarm pillows, catheter bag covers, port pillows, walker bags, shirt protectors, stuffed animals, COVID supplies, etc. There is some very nice fleece fabric also perfect for projects. In addition to the fabric donation there was a donation of many kits for sewing, knitting, or crocheting various items. We're grateful for the generosity of the givers and for the talent of our members in using the items to benefit so many. Patterns can be found on our website at

## New at the Richmond Sunday Drop-off/Pick-up Events

For as long as supplies last, we have added Mystery Shawl and Take and Make a Blanket Square kits to the items outside the workshop on Westbriar for our Drop-off and/or Pick-up events on Sundays from 1 until 2:30pm. Please note that the event on Sunday, **April 4 will run from 2:00 until 3:30pm** as many may be celebrating Easter Sunday that day.

The Mystery Shawl kit bags contain sufficient yarn to complete any of the horseshoe shaped patterns which are all contained in a booklet in the bag. As many of you may recall, we have made Mystery Shawls before and they were great fun. Simply reach into the bag, without looking, and pull out a ball of yarn and work with the yarn until there is none left. Reach back into the bag and pull out another ball of yarn and work with that until it is gone. Continue in this fashion until you have no more yarn left. Spritz lightly and tumble dry for a few minutes if you think it is necessary, attach the tag provided, and return your completed shawl to the bag. Close it up and note on it that it is a completed mystery shawl. It is always amazing, and sometimes surprising, that every shawl turns out to be beautiful.

The blanket kits are in plastic or Ziploc bags and they contain a sufficient number of squares to make a blanket along with sufficient yarn to either knit or crochet them together. Some people like to arrange their squares on the floor so that they achieve a look they find pleasing. If you decide to approach the project this way, it is a good idea to take a photograph of your desired look before you gather up your squares in order to start working on them.

You do not need an appointment to come by and get one of these kits. Just pick one up, take it home, complete it, and return it to a later drop-off event, at your own convenience.

We recommend picking up a kit soon if you want to join in the fun as they, most likely, won't last long 😊

There are two patterns, in this newsletter, for two of the shawls. A pattern for a crochet shawl can be found on the addressee page of the newsletter and a knit pattern can be found on the very last page. These are for those who would like to make a shawl but don't want to come by the workshop on Sunday to get a kit.

## KNIT WHEELCHAIR SHAWL #2 (Larissa Karp)

4. Use scrap yarn to mark the front/right side of the shawl (pins will slip through your work and you will not be able to determine the front side easily).
5. Markers are used as reminders. Use at the I-cord edging and before and around the K1 between the YO's.
6. Slip all stitches as if to purl.
7. This shawl does not need to be only one color. Use whatever colors you have on hand and just change when you run out.
