

### *From the Heart Project Sizes*

- **Chemo Blankets** 38" x 48"
- **Blankets for Dialysis/Hospice/Palliative Care** 42" x 48" (No fringe, no tie-ons)
- **Wheelchair Blankets** 27 x 42 NO TIES!
- **Newborn Blankets** 36" to 40" sq.
- **Shawls** approx 30 X 45"
- **Children's Blankets (for clutching or draggin')** Up to 36" or 40" & not necessarily square
- **Chemo Hats** Soft - not cotton as it is too scratchy. Medium and large sizes for both adults and children
- **Other Hats** Small, medium, large for male and female, children and adult
- **Squares** 12 inches to be stitched together into blankets or used as wash cloths at Memory Care facilities (if 100% cotton). Acrylic squares are used for "folding the laundry" at Memory Care facilities or are joined together to create larger blankets.
- **Infant Hats** All infant hats need to fit over the 5" Styrofoam ball at the workshop. 5" diameter equates to about 16" circumference. Must be stretchy.
- **Layette Sets** Used as "take me home" outfits for newborns.
- **Bears and Stuffed Toys** New bears from Dollar stores etc., dressed with knitted or crocheted outfits. Given to sick, scared or needy children in ER, clinic, oncology, hospice and other areas.
