

## Continuing From the Heart's Soft Reopening – June 1, 2021

Beginning Tuesday, June 1<sup>st</sup>, the workshop will be open from 11am until 1pm 4 days a week, Tuesday, Wednesday, Thursday, and Saturday. If you wish to volunteer to be an Elf (i.e., staff the workshop), please contact Tricia to let her know. This plan will be modified as we move forward, so please continue to check your emails, Facebook, and our webpage for updates.

Also, beginning June 1, there will be no need to sign up. We are capping the number inside the workshop to 10, which includes the 2 Elves. You may enter the workshop to get yarn and, if you are not staying, you will not be included in the count of 10 people. For the time being, we will continue to take temperatures and keep a record of who enters. We are also asking, in the short run, that people continue to remain masked while inside and socially distance within reason.

Please continue to tag your completed projects before dropping them off but it is no longer necessary to bag them. If you do bag them, please include a list of what is in the bag. There will be a bin outside for you to drop your items into if you don't want to enter the workshop.

## Letter from Lois – June 2021

Recently, I learned a new term... SABLE. Stash Accumulated Beyond Life Expectancy.

Let's just think for a bit about that Stash, or we'll just call part of it what it is...leftovers! That's partial skeins and hanks of yarn from projects long past completed and, in some cases, forgotten. These definitely accumulate very quickly, most often when our backs are turned! But what can we do about it? We could probably think of a few ways of reducing it down to just taking up a smaller area in our much-coveted space allotted for yarn and supplies.

We can share that unused collection with our stitching friends. Maybe we could even swap colors and textures with them. Of course, this probably won't improve our space problem but will only give it a different look, color wise. For actual stash reduction we've got to just get it out of the house!

We can use it in projects such as blankets, shawls, hats or even sweaters. This might just spur our brain cells into action. Creating projects that will not only open up space for us but will truly benefit someone else is always a good idea.

Another idea...when thinking of making projects to begin using up our stash, why not do as we often do with our Mystery Bag projects? Toss a large batch of those leftover balls in to a brown bag grocery sack. Decide what project we will stitch. Get it started by just reaching into that sack...no peeking! Just use the ball our fingers touch first. When that selection is completely depleted, reach in for ball number two! It's amazing what happens without our help in deciding which color should go next. That's all taken out of our hands! Once our project reaches completion, step back and take a look. We will have a beautiful surprise right before our eyes!

Here's another thought. I've noticed quite a bit of white, black, and other dark colors in my yarn collection. I've finally found an idea that puts them to good use and definitely helps reduce that area of storage space (to allow for other yarn purchases, again adding to my stash problem) I've learned that tossing in a few rows of these

darker colors (that are fast multiplying stash problems) every 5 or 6 rows into each of my leftover projects adds a bit of character and is quickly reducing that part of my problem.

So, just a little something to think about. Get creative. Open up YOUR yarn storage space. Make room for more yarn purchases in order to begin collecting new choices in your leftovers space!

Enjoy your stitching!

### Donation Daze – June 5<sup>th</sup>, 2021 (Raindate 6/12) (formally Dollar Daze)

As you are most likely aware, because of COVID-19, we are trying something a little different for our Donation Daze (formally Dollar Daze) event this year. We will be holding the event outside on Saturday June 5<sup>th</sup> with a rain date of Saturday June 12. It will be a one-day only event and will start at 11:00am and end at 4:00pm. The event will be held in the parking lot of The Institute for Perception, 7629 Hull Street Road in the Pocoshock Square Office Park. 7629 Hull St. Rd., is conveniently located near the intersection of routes 150 and 360 in Chesterfield County and does not front onto 360 but, rather, onto Pocoshock Way. There is an Apple Door Systems store on the corner at the light where you will make your turn onto Pocoshock Blvd. (see photo. The road visible in the photo is Hull St. Rd. and we are looking west).

If you are traveling E (towards Richmond city) on Route 360 (Hull St. Rd), you will turn right onto Pocoshock Blvd. If travelling W (away from the city), you will turn left. Then, turn left onto Pocoshock Way. Take the second or third left into the parking lot and walk down to where you will see the Donation Daze set-up. Here is a [link](#) to the building for those who would like to get turn-by-turn directions.

Donation Daze is an event when we make all the really nice, high quality yarn that has been donated to From the Heart available to our membership, for use in their personal projects, for a suitable donation. These are silks and other natural fibers that we cannot use in the commission of From the Heart's mission. There is no suggested donation, and you will give whatever you consider to be a reasonable donation. We do hope people will be as generous as they have been in past years as every cent donated to From the Heart via Donation Daze is spent on acrylic yarn that we CAN use in the creation of items to be given to our recipients. It

is a real win-win event. Please note that we cannot accept credit cards and cannot make change as you just pop your donation directly into the box.

The workshop will not be open on the day we hold this event so that all members, who want to, can attend.

If you have questions, don't hesitate to contact a Board member, or contact Tricia, by phone, at (804)683-9015 or email [triciaennis2014@gmail.com](mailto:triciaennis2014@gmail.com)

### From the Heart 2021 Retreat – Woodlands

We are fully anticipating that we should be able to hold our Annual Retreat, as planned, on Saturday October 2, 2021. The theme for this year is Woodlands so feel free to start planning your look now. 😊

In light of the fact that we prefer that people not be too crowded together this year and not be handling the same cutlery as happens with a buffet, we have arranged with The Place for boxed lunches. There are three options, as listed on the Registration Form, and you should circle your choice when completing the form. If using the same form to register more than one person, please be sure to clearly note which person wants which option.

Registration will open on July 1 and the Registration Form is included near the back of this newsletter. Registration will close on September 15 after which time there will be no refunds permitted. Substitutions will be allowed, however, for any reason.

A hint regarding one of the raffles is this photo.

Further information regarding vendors, classes, raffles, etc.

will be forthcoming but why not go ahead and reserve your place as soon as possible as walk-ups will not be allowed. Mark your calendar now and plan to join us for what is always a great day.

### Current Needs – June 2021

Please tag items before bringing them to the workshop and note it is no longer necessary to place them in plastic bags. If you do put your items in a plastic bag, please include a note to say what is in the bag. Please tie your tags in a BOW, not a knot, as the bow is easier for our recipients to undo. Tags can be picked up any time the workshop is open and a template to print them, on white card stock, can be found on the Members page of our website at:

<https://fromtheheartstitchers.org/members/>

If you know of a need and can deliver any items yourself in the Richmond area, please let Beth Watkins know what and how many you have delivered at (804)347-9286 or [bethwatkins.fth@gmail.com](mailto:bethwatkins.fth@gmail.com).

If you are in the Fredericksburg/King George area and have any items ready, please contact Pam (540) 661-7967, to arrange for pick-up or delivery. If you deliver any items yourself in this area, please let Pam know.

### Richmond and Surrounding areas have a need for:

- Baby blankets of no less than 36" along any one side. These are our primary need at the moment and there are patterns at the end of this newsletter
- Hats for babies (age 3-6 mos.) and children 6-12 years of age
- 12" cotton squares to be used as washcloths
- 8" and up acrylic squares to be sewn together to create bags and blankets
- Soft, squishable toys.
- Memory care items
- COVID-19 items, masks, ear savers, surgical caps continue to be needed
- Size J crochet hooks

### Fredericksburg/King George has a need for:

- Walker totes for men & women
- Wheelchair bags for men & women
- Lap blankets and baby items are always appreciated

Patterns for most of these items can be found on our website, <https://fromtheheartstitchers.org/patterns/> but feel free to make whatever you feel like making. We greatly appreciate anything you create for From the Heart.

### For Your Browsing Pleasure

Knitting has become the new "cool". New knitters like Michelle Obama, actress Kristen Ritter, and musician Ronnie Wood are making knitting a forever proposition in their lives. Merle Streep, a proficient knitter, taught Amy Adams to knit on the movie set "Doubt". Rock star Harry Stiles was big news last February when he wore a handknit patchwork cardigan on stage. This pattern can be found on Ravelry under Color Block Patchwork Cardigan by JW Anderson.

Elizabeth Zimmerman, a world-famous knitter, said "Knit on with confidence and hope through all crises" and that definitely applies now.

**Tip of the Month  
A Great Way to Remember What Size Needle you  
Used on Your Project(s)**

If you are making a multi-item project, such as a sweater which has a back, a front and two sleeves so 4 pieces, it is a good idea to put knots in your tail yarn at the beginning of the cast on or chain stitch to indicate what size needle was used.

For example, if you used a #8 needle make 8 knots (especially if the needle used for the project is not the same one as given in the pattern). Then, if the needles get separated from the project or it takes you ages to get around to making that second sleeve, you can just count the knots, and this can help you to get the project restarted.

**Fredericksburg News and Catch Up**

The past 14 months has been quite challenging for all of us. We have all missed being able to have our regular meetings, seeing our friends, looking at all the items everyone made and welcoming new members. We have a fair number of new members who have never attended a meeting yet continue to make beautiful items and drop them off to us at the Ruritan!

I would really like to say a BIG THANK YOU to all of you!!!! You have kept us well supplied with so many beautiful items which is appreciated by our recipients. Each time we are going to meet I call all of the places we deliver to checking on what they need. You should know they are all in awe of what you all do, and how beautiful the items are. They cannot believe that you are all so generous to take your time to make things to

brighten someone's day. Keep in mind that each item you make is seen by those of us accepting, sorting, and bagging for delivery as well as the people receiving it at the delivery location and then the person who actually receives and enjoys the item. You are all touching so many lives, making so many people smile, and you are very appreciated.

The next Ruritan Curbside drop-off will be Tuesday, July 20. More information about this in the next newsletter. **IF** we are able to resume meetings before then I will send out an email to let everyone know.
