

## Continuing From the Heart's Soft Reopening

As of Tuesday, June 15th, the From the Heart workshop has been open from 10am until 2pm 4 days a week; Tuesday, Wednesday, Thursday, and Saturday. There is no need to sign up although the number allowed inside the workshop continues to be capped at 10, which includes the 2 Elves.

You may enter the workshop to get yarn and, if you are not staying, you will not be included in the count of 10 people. For the time being, we will continue to keep a record of who enters, although we will no longer take temperatures as you enter.

If you are at least two weeks out from being fully vaccinated, you do not need to wear a mask while inside, unless you feel more comfortable with one on. Those who are not at least two weeks out from full vaccination are requested to continue to wear a mask while inside the workshop. This is an honor system so please continue to honor your fellow FtH members.

Please continue to tag your completed projects before dropping them off but it is no longer necessary to bag them. If you do bag them, please include a list of what is in the bag. There will be a bin outside for you to drop your items into if you don't want to enter the workshop.

If you are curious about being an Elf (i.e., staff the workshop) or a scheduler (it helps if you have already been an Elf), please contact Tricia for information.

## Letter from Lois – July 2021

As written in our Mission Statement; “Our mission is to serve our community by preserving and promoting fiber arts, creating a spirit of fellowship and love among our volunteers and board members, and producing handmade items which bring comfort, love and solace to others.”

From the Heart continues to remain true to its mission. One of the inspiring benefits has been the social value enjoyed by our members. This is in addition to the satisfaction of producing all those wonderful items bringing comfort, creating smiles, and giving feelings of love and solace to recipients of our stitching. As we continue to grow outside our current boundaries by bringing this program to other communities, our mission remains constant. It is important to teach others how to secure donations of yarn and tools for their use. Equally important is an understanding of community needs and how just the right meeting place for a new group can create a buzz in their areas. We often bring in other interested stitchers to help them get started. Also, it is important to visit new meetings, giving encouragement and holding workshops to help increase their stitching knowledge.

Spreading the good work and word in no way takes away from our core group or what we have grown to be. In fact, it enhances our image in such a way by carrying our mission beyond our original reach. By doing this, others are drawn to us seeking to be a part of all the good things happening in our organization. Helping set up ‘branches’ of From the Heart is a method of touching the lives of so many more sick or needy folks than we here in Richmond could ever do alone. And as we have experienced, in the beginning new groups are so beneficial to the stitchers by giving them a sense of worth. It can bring new friends into their lives and sometimes new direction for their days.

It can be done!! It can be such a blessing to other communities!! If you happen to be in an area that could benefit from having a From the Heart branch established nearby, please, let us know of your interest. Let us help you make it happen.

I don't think I have ever met such a giving, caring group of people as these involved with our organization. Let's spread the good works. Let's help others in need that we can't possibly supply from our location. Let's show them how it's done...help them help themselves.

## Donation Daze – June 5<sup>th</sup>, 2021

A HUGE Thank You to all who came out to From the Heart's Donation Daze earlier this month, as it was hugely successful with more than \$4,500 being donated that day in exchange for fabulous

yarn that our members can now use to create special items to gift to friends and family or to keep for themselves. The \$4,500 is in the process of being transformed into acrylic yarn we can use to purchase acrylic yarn that will be used in the creation of items to be donated to serve the needs of our communities. A real win-win event.

It was outside, it was hot, it was sunny, it was TERRIFIC to see so many people come out to this first "real" event as we begin to emerge from the last 15 months of trying to continue to operate. It felt like we could see the light at the end of the tunnel, and it was just lovely to say hello to so many From the Heart members we had not seen in over a year.

The next "big" event on our calendar is our Retreat, scheduled for Saturday October 2nd, 2021. Registration for that opens on July 1<sup>st</sup>. Please see the separate article in this newsletter. Thank you all so much.

### From the Heart 2021 Retreat – Woodlands

As you are all aware, we are planning From the Heart's Annual Retreat “Woodlands” for Saturday October 2, 2021. The theme for this year is Woodlands so feel free to start planning your look now. The registration form is included with this newsletter and registration opens on July 1 and closes on September 15, after which time no refunds will be permitted. Substitutions will be allowed, however, for any reason. The registration cost for the Retreat is \$40 which offsets the cost of renting The Place and pays for the sit-down lunch.

In light of the fact that we prefer that people not be too crowded together this year and not be handling the same cutlery as happens with a buffet, we have arranged with The Place for boxed lunches. There are three options, as listed on the Registration Form, and you should circle

your choice when completing the form. If using the same form to register more than one person, please be sure to clearly note which person wants which option.

**Our vendors**, this year, will all be locally owned businesses

- Dances With Wool (Debbie Floyd) – yarn, patterns, and accessories for knitting and crocheting
- Sheila Weisensale's Creations – cards, magnets, framed pictures created using flowers from Sheila's garden along with her paper crafting skills
- Merry Soap Makers (Mary Atkins) -Natural, handmade soaps and lotions
- Ever Blooming - Glass Decorations for your Garden (Cas Schirra)
- Key Clayworks – hand thrown pottery including vases and yarn bowls (Keyser Glancy)

**Our speakers** will be

- Judy Jamison, MCV Volunteer
- Makita Byrd, Domestic Abuse Shelter/YMCA
- Bev Gibson or representative, Vessels of Mercy
- From the Heart Board Member, Navigating From the Heart through COVID-19

**Our classes** will be

- Lois Little, Make a Crocheted Snowflake
- Francine Nelson/Joyce Puller, Crocheted Mosaic Stitch
- Johnnie Wood, Russian Knitting

In addition to these speakers, vendors, classes, and seated boxed lunch, each attendee will receive a really nice tote bag and have the opportunity to win a door, a table and/or raffle prize.

Raffle tickets will be \$1 each or 6 for \$5. We have been fortunate to have had many beautiful hand-made items donated to us for use as raffles, table prizes, and door prizes (see photo). We are also planning grab bags for \$5 apiece of really nice yarn, at least two skeins per bag.

Our retreat is always (but especially this year) full of fun and camaraderie. Register soon so you won't be left out.

### For Your Browsing Pleasure

Crocheting and knitting are popping up everywhere. Actress Drew Barrymore admitted on her show that she learned to knit from YouTube. She occasionally has a bright 12-year-old young man named Jonah Larson on the show to teach and show her how to crochet. Jonah learned to crochet at 5 years old and has written 2 crochet books and has become a Facebook sensation

with his crochet videos. Jonah has his own YouTube channel, Jonah's Hands, which you can find at <https://www.youtube.com/channel/UC4h-H7crX-CnivMuelb4C0Q>. Well worth looking at this if you crochet even if the young man is only 12. He is a crochet genius.

<https://www.10rowsaday.com/> is a resource library and the writer Maryna claims that by knitting 10 rows a day you can make 52 hats a year. What a boon for FTH! She also claims to be a "cozy home to knitting tips and techniques". The resource library is a wonderful help with knitting tutorials to strengthen knitting styles.

For unusual crochet patterns click on or type this link, which promises modern crochet beyond the basics, [acrochetedsimplicity.com](http://acrochetedsimplicity.com)

Now that things are opening up (permanently we hope) you need to break your knitting rut with patterns for small projects for your needlework traveling bag. Knittingforcharity.com has at least 32 patterns to make for the family as well as for charity. FTH is not alone in its far-reaching charity needlework. Some more portable projects can also be found at <https://theloopholefox.com> which has 27 pages of patterns that can be made "with love in every stitch".

### Tip of the Month

Ever run into a problem when trying to block a finished piece or work (whether knit or crochet)? I know I have. Often, my work seems to run over the edge of the last piece of blocking mat by an inch or so, which is a real pest, so I have either let it hang over the edge and hoped for the best or added another mat (if I had one to spare).

Here is a suggestion for larger blocking mats. Consider using puzzle mats, approximately 14' square, that are larger than typical blocking mats, approximately 11" square, available at your LYS or at online knitting websites. You

You can still use pins in the puzzle mats without worry of damaging it. You can see, in the photo, the comparison between two joined puzzle mats and two joined standard blocking mats. For larger, crescent shaped shawls and wraps, you can use a combination of mats to provide enough space for pinning. Another advantage: when they are not being used to block your knitted or crocheted items, they are great play mats for children and grandchildren!

## Fredericksburg News and Catch Up

I have received several inquiries about when we will be meeting. At this point the earliest we will be able to meet is the end of August. I will keep you posted as things progress.

We will be holding another drop off/ pickup at the Ruritan Building on Tuesday July 20th from 10- 12.

You will be able to bring your completed items to the Ruritan Bldg. We are asking if you have tags, please make sure your items are tagged but you can turn them in tagged or not. The items do not need to be in sealed bags. We will be accepting your completed items to free up your space and help give you room to make more items. Please note: This is **curbside drop off and pick up**. If you want to drop off or pick up supplies.

I will need the following from you by Thursday 7/15 by 5:00 PM. After that I will be bagging the supplies and will do my best to provide what you are asking for:

- Your name
- What you would like to drop off finished items
- types of items • approx. count would be very helpful.

What supplies do you need?

- tags so you can turn things in already tagged going forward
- fabric to make book totes or walker totes
- If you need yarn:
  - what yarn would you prefer by weight and color
  - Weight = #4, #3 etc. or tell me if you want worsted, sport, chunky, etc.
  - Color, what color(s) or variegated
  - A big bag of leftovers (leftovers are not limited as we have an abundant supply of them.)
  - Any other information you might think pertinent

Please share this information with anyone you think might want/need to know, especially FTH members.

We will be open for receiving finished items and picking up supplies only – from 10:00 am – 12:00 noon. When you arrive, please text me (with your name and vehicle color). We will bring out your supplies and pick up your completed items. Click [here](#) for directions to the building. Thank you so much for all you do for From the Heart. I know all the locations we deliver to are going to be very appreciative of the items we will be able to deliver to them.

At the end of each month, we enter the names of all the Elves who have volunteered to staff the workshop that month into a random drawing and one name is pulled to be the Elf of the Month.

Congratulations to **Sheddy Reese**, a fairly new elf, who is the Elf of the Month for June 2021. Next time you are at the workshop, Sheddy, please select some of the nicer yarn for your personal use in a non-FtH project.

## Crocheted Dialysis Mitts

This mitt is a ribbed rectangle stretching from below the wrist to fingertip, wide enough to encircle the knuckles when lightly stretched.

**Materials:** Soft, stretchy yarn, sport weight or very light worsted (one skein would make a few pair), Size H hook, Tapestry Needle for weaving in ends

**Pattern:**

Chain 40, work half double in second stitch from end across. Leave a long (20 inch) tail, it's perfect to sew up at the end. Chain one to turn, work half double in the back loop only in every stitch. (turning chain does not count as a stitch)

Work 18 rows. Keep loop on hook, fold piece in half. Slip stitch or sew sides about half-way down, finish off firmly.

Leave about a quarter of the stitches free for thumb opening. From starting corner, using the long tail, slip stitch or sew up about a quarter of the stitches, fasten off firmly.

Size adjustments would be taken at the length and number of rows - this fits a medium sized hand. It would be nice in baby or sock weight yarn, using maybe a G or F hook and starting with more chains, or a light soft #4 worsted, and an I or J hook. I would not suggest Simply Soft, which is not as stretchy or light.

---

## Knitted Fingerless Mitts - Circular Knitting

**Materials:** #4 Worsted Weight yarn, 29', size 7 or 8 circular knitting needle or set of double point needles Stitch marker (for double points beginning of row marker needed as well). If intended as mitts for dialysis patients, please make these long enough to reach from elbow to fingertips.

**Pattern:**

Using needles of your choice, cast on 40 stitches.

Join to knit circular, work 5 rows of knit 2, purl 2 ribbing. Knit every row for 20 rows.

**Gusset Setup:**

Row 1: Knit 1, cast on 10 stitches (backward loop gives nicest edge), knit to end of row (46 stitches)

Row 2: Knit 12, place marker, knit to end of row.

**Gusset:**

Row 1: (decrease row) SSK, knit to within 2 stitches of marker, knit 2 together, slip marker, knit to end of row.

Row 2: Knit, slipping marker Row 3: Knit, slipping marker

Repeat rows 1 through 3 until only 36 stitches remain. Continue until 15 gusset rows completed.

**Cuff:** Knit 2, purl 2 ribbing for 20 rows or until desired length is reached. It is a good idea to try your gloves on at this point, being careful not to let stitches fall off the needle. Most people like the cuff of their glove to be long enough to 'catch' under the cuff of their sweater or coat.

Bind off loosely (using needle one size larger than project needle gives a nice edge.)
