

Newborn Baby Hat

A Lois Moore Creation

1 skein Joann's Big Twist will make quite a few of these little hats with yarn left over. Any soft #4 yarn can also be used. Just be sure to use **soft** worsted (#4) weight yarn.

Using either long size 7 needle for magic loop or double point needles. (16" circular is not suitable for knitting these small tube hats.)

Cast on 44 stitches. Join carefully being certain stitches are not twisted. Work in knit 2, purl 2 ribbing for 32 rounds.

Round 33: Knit 2, purl 2 together. Repeat around the Round (33 sts.)

Round 34: Knit 2 together, purl 1. Repeat around the Round (22 sts.)

Round 35: Knit 2 together around (11 sts).

Round 36: Knit 2 together 5 times. Knit 1 (6 sts).

Cut yarn, thread thru tapestry needle, pull thru remaining 6 stitches, snug up smoothly, weave in tail. Weave in tail at beginning cast on. Voila! It's done!
