

## Continuing From the Heart's Soft Reopening

The From the Heart workshop is open from 10am until 2pm 4 days a week: Tuesday, Wednesday, Thursday, and Saturday. The total number allowed inside the workshop at any given time continues to be capped at 10, which includes the 2 Elves. In accord with current CDC guidelines, we are requiring that masks be worn by those who come into the workshop.

You may enter the workshop to get yarn and, if you are not staying, you will not be included in the count of 10 people. We are continuing to keep a written record of who enters, although we will no longer take temperatures as you enter.

Please do not come to the workshop if you have a cold or other illness or have been in the company of someone who has been, or is, ill.

Please continue to tag your completed projects before dropping them off but it is no longer necessary to bag them, with the exception of items intended for Vessels of Mercy International. If you do bag them, please include a list of what is in the bag.

There will be a bin outside for you to drop your items into if you don't want to enter the workshop. Please note you do not need to enter the workshop or sign in if you are simply dropping items in the bin outside.

## Letter from Lois – November 2021

With the temperatures dropping, our crazy economy, the pandemic and joblessness problems, it appears more folks than ever will need a bit of extra warmth this year.

We are kick starting our winter hat/scarf/mitt program for both adults and children and are planning to begin sending out items to groups working with those who need us the most.

In our experience, this time of year we normally offer items stitched using wool or wool blend yarns. These yarns aren't always washable, but items made with these materials are much warmer and, since they are rarely laundered, they do seem to be more durable than items made of cotton or acrylic.

Our most requested items for outdoor individuals are hats, scarves, and fingerless mitts. The reason for this type of hand covering is that the wearer need not remove them to use their fingers, therefore he/she is most likely to retain possession of them for a longer time. Once regular mittens or gloves are removed, they most often 'walk away'!

We hope reading these facts will trigger our members into creating lots of projects just for those most vulnerable folks having to face life outdoors. The proper supplies can be found in our yarn hall and patterns are available as well, if needed.

In checking my lists I've already counted 8 groups that will be in need of our help. One of our members suggested that there is a coalition of organizations that serve the homeless. Hopefully, this way more of those in need will be reached than in the past...more warm items will be needed...more stitching for From the Heart! So, polish up those needles and hooks, pick up whatever supplies you need to be involved in this effort and let's just see what kind of difference we can make!

You know we always encourage each of you to make whatever gives you the most pleasure. That has not changed! We really appreciate everything you create and every single item you stitch is greatly enjoyed and loved by the recipient!

We are grateful for your dedication to the Mission of From the Heart. We would never be where we are without your support!

*Lois*

## From the Heart 2021 Retreat – Woodlands

As expected, the From the Heart retreat on Saturday, October 2<sup>nd</sup> was a really enjoyable and fun event, notwithstanding the fact that we all wore masks.

Our theme of "Woodlands" was beautifully depicted with all the lovely table decoration created by Rebecca Kennedy and the lovely knit woodland animals handmade by Dorothy Bernstein and Pat Clare. Our boxed lunches were truly delicious and very satisfying. Our speakers were incredibly informational, and we learned a lot about how our donations to MCV and Vessels of Mercy International are used to comfort those in situations which are far from the best. Our classes were very well taught and very well attended and our vendors presented such lovely merchandise. Our raffle table had very beautiful items and, in addition to our grab bags being very well received, our door-prize bags were overflowing with goodies. Overall, a wonderful day was had by all, and it was lovely to see all those half faces after the last 19 months of close to solitary living.

Next year's retreat, for which the theme has yet to be decided, will be held at The Place on Saturday, October 1<sup>st</sup> so mark your calendars to save that date now.

### Fredericksburg Meetings & Ruritan Pickup/Drop Off

First, an enormous THANK YOU to everyone who dropped off items at our event on Tuesday October 19. After the drop off we were able to deliver over 1,300 items this month! We had five new members come by with finished items and/or picking up supplies to start making items for us. Our recipients are amazed by the beautiful work everyone creates. A big heartfelt THANK YOU from each of them! While we were hoping to resume meeting, given that cases are on the rise and most

of our members are in the upper age bracket, it is best (and safest) if we continue with our curbside drop offs. While we all miss seeing everyone, more people feel we should wait to resume meeting than think we should meet now.

We have scheduled Curbside Drop off /Pickups at the Ruritan for **Tuesday 11/16/21** and **Tuesday 12/14/21**.

If you want to pick up supplies at the November event, I will need the following information from you by Thursday, 11/11 by 5:00 PM. After that we will be bagging the supplies and we will do our best to provide what you are asking for.

We need your name and what supplies do you need?  
fabric to make book totes or walker totes  
ribbon for book totes or Velcro for walker totes  
tags so you can turn things in already tagged going forward

If you need yarn:  
what yarn would you prefer by weight and color  
Weight = #4, #3 etc. or tell me if you want worsted, sport, chunky, etc.  
Color, what color(s) or variegated  
A big bag of leftovers for making??? We have an abundant supply of them.  
Any other information you might think pertinent

If you are dropping off, please provide:  
Your name  
Number of finished items & types of items (approx. count would be very helpful)

We will be open for receiving finished items and picking up supplies only – from 10:00am – noon. Click [here](#) for directions to the building.

Thank you so much for all you do for From the Heart. I know all the locations we deliver to are going to be very appreciative of the items we will be able to deliver to them. Please do all you can to keep yourself and those around you safe and again, thank you for all you do to help us continuing to deliver items during these challenging times.

Please see “Current Needs” for a list of items most requested in and around Fredericksburg at the moment but don’t forget you should stitch whatever you most enjoy making as we can, and will, make use of whatever we receive from you.

## Vessels of Mercy International Needs Mentioned at The Retreat

Retreat attendees enjoyed meeting and hearing from Brenda Raney, Vice President of VOMI, and Bev Gibson, Founder and CEO of VOMI. They provided background information about their organization and how their new partnership with From the Heart has benefited those in need locally and internationally.

We saw photographs from the 2020 Holiday of Hope program held yearly in Central Virginia at several locations. We were touched by the sight of people lined up around the block for entry standing in the cold weather for the opportunity. This campaign delivers hope for those less fortunate by providing coats, blankets, hats, gloves, Christmas stockings, food, and a warm smile.

We also viewed sweet photographs of children in Honduras holding their new knitted toys provided by From the Heart just weeks after two devastating hurricanes destroyed everything. Bev noted that even adults were envious of the little ones who had these creative, bright toys.

When asked what items are needed beyond the hats, scarves, blankets, baby blankets and clothes and the toys we provide, she mentioned many items that you may be able to donate.

- Beads, costume jewelry, one earring (if the other is lost)
- Project bags (small fabric bags which are used by VOMI to provide necessary items to women in need)
- Cotton, fleece, and flannel fabrics
- J size crochet hooks
- Izzy dolls, small soft crochet or knit toys, dressed bears
- Men and boys’ hats in dark colors like burgundy, blue, brown, and especially camo yarns
- 8” x 8” crochet or knit squares with a tail of 2 ½ yards for joining blankets

If you would like to donate specific items to VOMI, please have those articles in a bag with the words “Vessels of Mercy” written on the bags so that the Workshop Elves and/or Sorting and Distribution Team will know to place in the Vessels of Mercy International (VOMI) bin. This will save them a great amount of time 😊

## What Should you do if You Come Across a FtH Item for Sale

The beautiful blanket seen in this photo was discovered in a consignment store by a friend of a From the Heart member. When found, the blanket still had its little FtH tag, complete with the words “Not For Sale,” attached.

If you come across one of our items for sale anywhere, please do not buy it. Rather, ask for the floor manager and point out our tag in a non-confrontational way, and tell the manager a little about the mission of From the Heart asking them to please not sell the item as profiting off what we do defeats the purpose.

Finding From the Heart items for sale is not a common occurrence but it does happen on occasion and, if it happens to you, this would seem to be the best way to deal with it. Hopefully, any person to whom our mission is explained would understand that it is not a “best practice” to sell our items.

### Current Needs – November 2021

Please tag items before bringing them to the workshop, it is no longer necessary to place them in plastic bags. If you do put your items in a plastic bag, please include a note to indicate what is in the bag. Please tie your tags in a BOW, not a knot, as the bow is easier for our recipients to undo. Tags can be picked up any time the workshop is open.

As noted in the article above, anything you intend to go to Vessels of Mercy International should also include the words “Vessels of Mercy” on the bag. This will be a great assist to the Elves and/or members of the Sorting/Distribution Team when dealing with the many hundreds of items that come into the workshop every week.

If you deliver any items yourself in the Richmond area, please let Lois Moore know at [loisfth@me.com](mailto:loisfth@me.com) or (804)305-497. Fredericksburg/King George area please contact Pam (540) 661-7967.

### Richmond and Surrounding areas have a need for:

- Scarves to match with hats already at the workshop (hat and scarf sets will be needed soon and are currently being “created”)
- Wool blend hats for homeless adults – please add a piece of red yarn, in addition to the white yarn already on the tag, to items containing 20% or more wool to distinguish them for distribution purposes
- Soft squishable toys, no hard parts

- Izzy dolls/bears (lots of patterns on Ravelry)
- Clothes for 8” bears. See patterns at the end of the newsletter. If you like to make clothes for our bears, please feel free to take a bear home from the workshop with you to use as your “model”
- Small blankets to swaddle 8” bears in (approximately 12-13” square)
- Baby blankets
- Masks
- Chemo caps, including teal for Cancer Dancers and orange for MCV Leukemia
- Large 40 X 60” blankets

### Fredericksburg/King George has a need for:

- Lap blankets – men & women
- Hats – preschool through adult (no baby hats)
- Baby blankets – No baby hats
- Kids blankets – Bright & colorful 36”-48” square or rectangle
- Wheelchair and walker totes
- Toys

Please be aware that these are our current, most pressing needs but that, as we always say, make what you enjoy making and we will find a home for it. Check our website for patterns <https://fromtheheartstitchers.org/patterns/>.

### Does From the Heart Take Fabric Donations?

Often, we get the question “Does FTH take fabric donations?” The answer is a definite yes but . . . the type of fabric we can use is limited.

What works for our projects are **Cotton, Flannel, and Fleece**. Donations of **Velcro** would also be very helpful as it is used in several projects. It’s always very appreciated when folks are downsizing their stashes and match their donations to the needs at FTH.

This picture shows a few of the recent projects completed using cotton, flannel, or fleece; scent hearts, masks, walker and wheelchair totes, adult bibs, scarves.

Seamstresses can find patterns for these projects and more on the website at

<https://fromtheheartstitchers.org/sewing-patterns/>. There is also a small selection of donated cotton, flannel, and fleece at the workshop.

## Tip of the Month - Swatching

A swatch is a small piece (usually 4” square) that is made, before actually starting on a new project, using the same yarn and hook or needles as the actual project. Making a swatch enables the knitter/crocheter to know exactly what gauge the combination of yarn and needle/hook size will create. It is then possible to know how many stitches or chains to start your project with or, if necessary, change to a larger or smaller hook or needle.

If you are a very diligent knitter or crocheter and actually make and launder a swatch when starting a new project, you may have created many 4x4” squares over time.

However, the average knitter or crocheter hates the thought of throwing out all those swatches and, if you don’t need to take them out to use the yarn for your project, what can you do with them?

The answer is: Pretty much anything you want. Save your swatches in a plastic bag and, when you have a sufficient number, join them to create a mismatched scarf, bag, vest, cardigan, or anything you like. Truly a one-of-a-kind item which will have been created by you and you won’t have to worry one little bit about meeting yourself when you are wearing it.

## Elf of the Month – October 2021

At the end of each month, we enter the names of all the Elves who have volunteered to staff the workshop that month into a random drawing and one name is pulled to be the Elf of the Month. Congratulations to **Katya Arsenyeva** who is the Elf of the Month for October 2021. Next time you are at the workshop, Katya, please select some of the nicer yarn for your personal use in a non-FtH project.

To volunteer for a two-hour shift at the workshop during the month of November, please contact Kulla Ficare (\*below). To find out what is involved in being an Elf (workshop volunteer), contact one of the schedulers.
