

**Knit a 12" garter stitch square  
Using Worsted Weight yarn**

One square requires approximately 140 yards of yarn. That would be about 3 ounces of Red Heart Super Saver or similar yarn.

Size 8 knitting needles:

Cast on 46 stitches. Knit every row until piece measures 12 inches long.

Size 9 knitting needles:

Cast on 44 stitches. Knit every row until piece measures 12 inches long.

Size 10 knitting needles:

Cast on 42 stitches.

Knit every row until piece measures 12 inches long.

Please note that the sample blanket photographed is not comprised entirely of garter stitch squares. The patterns given above work for garter stitch but different stitch patterns will result in different gauges so be sure to check your gauge if you plan to create a blanket with many different stitch patterns.
