

Continuing From the Heart's Soft Reopening

The workshop at 1114 Westbriar Drive in Henrico is now open for people to come in to sit and craft during regular hours which are 10am until 2pm on Tuesdays, Wednesdays, Thursdays, and Saturdays. A total of 7 people (5 crafters and 2 elves) will be allowed in the workshop at any given time, not to include people who come in for just a couple of minutes to get yarn for a future From the Heart project.

We will continue to require the use of masks while in the workshop and also request that people practice reasonable social distancing. Everybody will have to sign the register on the front desk in the hopefully unlikely event we need to engage in any form of contact tracing.

As always, we request that you do not come to the workshop if you are feeling unwell or running a temperature or if you have been in the company of someone who has been unwell.

Thank you all so much and I'm looking forward to seeing you at the workshop soon.

Letter from Lois – May 2022

A bit of From the Heart History:

In 2001, before our organization even had a name, Bertha Rolfe was a part of us. As I sat as a volunteer in the MCV library downtown, knitting with Tiffany Andrews, Bertha would stop by to chat. Little by little she learned of what we were doing and at times would suggest to us specific patients in need of chemo hats.

As months, then years went by, Massey Cancer opened the Stony Point office and I split my knitting time between the 2 locations. It was there I met Bertha's husband, Norman.

Bertha and Norman were both concerned with, as yarn donations began to take over my home, the lack of a facility for what I had just named "From the Heart."

This topic was always front and center in Norman's mind. He was determined to find us a home base and I don't remember ever being in a hospital meeting with him when he didn't make sure everyone in the room was made aware of our situation.

In late fall 2004 Bertha called me...she was a very quiet lady, but you could always see in her eyes she was a problem solver. She told me she had a Board of Directors meeting at the VCU/MCV hospital that evening which Hank Wilton was sure to attend. Surprised at her comment I told my volunteer director, Polly Cole of Betha's mention of Mr. Wilton. She just smiled and commented that something was bound to happen!

About 9:00 that evening I received a phone call from Bertha. She just said I was to go to Mr. Wilton's office the next morning and pick up the keys to the new From the Heart shop! Early next morning Rinne Abbitt and I picked up those treasured keys and headed out Patterson Avenue to check it out. What a shock! It was tiny, dirty, grimy, and covered with cobwebs but looked like heaven to us. To shorten this a bit...Gail Patrick, Matilde Woolcott, Rinne and so many others dug in and scrubbed, painted, and polished that place on Starling Drive until it didn't resemble at all the place we had first tackled.

We packed yarn from my house (it took hours and many trips with my van). We put together shelving that had been donated by Dana with Got Yarn. We filled the cubbies to overflowing. We were so, so thrilled to finally have a home!

We weren't at that location long, only 5 weeks, just long enough to witness a vehicle plow through our neighbor's front window, just a few feet away, on the other side of our adjoining wall!

Once we were clean, yarn in cubbies, everything looking wonderful, I invited Bertha to come visit. She did. She wasn't there long. Her only comment "this is certainly

small." With that she was gone. The very next morning a Wilton agent came in, handed me a set of keys, told us that men and trucks would be there the next morning to move us to our new location...1114 Westbriar Drive!

That all happened in 2005. In early April 2022 we lost Berta. She has joined Norman, who passed away a number of years prior. We've lost them both, but their mark will forever be on From the Heart. I feel our "shop" is their legacy.

From the Heart Retreat: Shining Our Light

Be sure to mark your calendar for **Saturday, October 1, 2022**. The Board is looking forward to making October 1st a really great and enjoyable day so reserve a place in your schedule now.

We can now confirm that the suggested donation to attend will be \$40, as it has been for some years now. Please note that this amount underwrites the cost to hold the retreat.

Our confirmed vendors for this event are

- Center of the Yarniverse, a local yarn store located in Ashland, Va. You can check out the possibilities of what they might bring to our retreat by going to their website at www.centeroftheyarniverse.com.
- Our own Sheila Weisensale from Weisensale Creations will be offering a lovely selection of hand made note cards and other paper creations, which all include a selection of flowers and seeds from Sheila's personal garden.
- Merry Soapmakers of Powhatan. Hand crafted soaps and hand creams made with natural ingredients such as lavender and goat milk.
- Classy Accessories offers really well made and very cute towels, totes, and jewelry. Check that out on Facebook [here](#)
- Although not yet confirmed, there is also a possibility that Cas Schirra may join us again with her beautiful hand-crafted recycled glass and china items.

We will have two classes. Don't forget that all class supplies will be provided for you, but you will need to register to attend a class as a different matter from registering for the retreat. Once registration has been opened for the Retreat, in July, you will need to contact either Kulla or Tricia to register for a class.

- Johnny Wood is looking at the possibility of teaching the I-cord cast on as used in the Stephen West "Boneyard" shawl. Whether or not Johnny decides on this particular class, he will be teaching a knitting class.

- For our crochet class, Francine Nelson, and Joyce Puller will present the waffle stitch through teaching it and exploring the technological enhances through the use of Tic-Toc, CAL's, knitalongs, and handouts.

We are still discussing speakers and will give information on those as decisions are made and guests are confirmed.

In addition to our vendors, classes, and speakers, we will have a sit down, boxed lunch (choices available to you will be on the registration form), a raffle which always consists of gorgeous hand-crafted items (\$1 per ticket, 6 tickets for \$5. See photo for examples of what will be raffled), a grab bag table, random raffles for door prizes throughout the day, table prizes, and BINGO

As I have said before, we feel that our theme of Shining Our Light this year is a very accurate expression of what all our members do in their daily lives and, in addition, very accurately represents what From the Heart does as an organization in the communities in which we operate.

Ukrainian Outreach with Vessels of Mercy

Bev Gibson, Founder and CEO of Vessels of Mercy International, with whom we have been partnering on our humanitarian outreach to Ukrainian refugees, is planning a trip directly to Ukraine on May 3rd to establish a field hospital for those needing medical aide. She is planning to take as many of our recently donated items as she can on this trip for distribution to victims.

The Board of Directors and Staff of VOMI are grateful to everyone for the overwhelming support provided to date and From the Heart is grateful that our items are being delivered, by hand, in suitcases and duffel bags. We can rest assured that they are arriving to the destination and people we intend them for, quickly.

At this point in time, Bev has asked that we pause the hand made donations directed for Ukraine until she has returned from her May 3rd, two-week trip, as she will be in a better situation to advise on future needs upon her return. Knowing that our volunteers enjoy supporting VOMI, we suggest a focus on making hats for children and men that can be used for their Holiday of Hope program in December. They will also need dressed bears, Izzy dolls and soft toys for this outreach. You will find patterns for all these items on our website at <https://fromtheheartstitchers.org/patterns/>.

Please know that all From the Heart members are valued and appreciated more that you know. Thank you so much for all you do.

Dinwiddie From the Heart Group

The Dinwiddie From the Heart group, formed in 2010, meets in the cozy side room of the Dinwiddie Library. We pull in chairs from the adjacent room to form a friendly circle for our 12 members. Lots of knitting, crocheting, and updating go on during our two hours together. Oh yes and don't forget the show and tell of all the items we have made. Such a good way to get ideas.

Like everyone else our meetings and deliveries came to a stop in February of 2020. We are now meeting again in the library. In late autumn of 2020, we began to make a few deliveries again with our biggest of 220 hats for children to the Dinwiddie Christmas Sharing. Luckily, we had a few hats that were ready for delivery when everything shut down and some of us crocheted and knitted the rest of the year to meet our goal.

Last year we began to make a few donations of hats, blankets, port pillows and shawls as things opened up. We are again delivering shawls, blanket and mitts to DaVita in Petersburg and baby blankets, shawls and drain bags to Southside Regional Medical Center. Of course, we again made 220 hats for Dinwiddie Christmas Sharing and were also able to donate 35 hats to a new group who feed the homeless on Thanksgiving Day and Christmas Day. We hope to increase the hat for the homeless to 100 this year. It's a good way to use some of the wool yarns in our stashes and perhaps create space that will need filling with other lovely soft yarns.

We found a contact and now deliver blankets and shawls to Crater Community Hospice, who especially appreciate our red-white-blue blankets for their Veterans Section in recognition of the veterans' service to our country. We hope to add twiddle mats of various designs to our repertoire this year and continue to respond as From the Heart sends out Constant Contacts messages about specific items requested.

Some of the group can't wait each year for the Annual Retreat. It is such fun to sit together in that space, wander around and greet old and new friends, and especially check out what projects everyone is working on. Perfect time to be nosy about what everyone is doing and where they found the pattern.

We are very grateful to be able to gather again in person to again appreciate the creative sparks in everyone there.

FtH Awareness Day at Dances with Wool

On Saturday July 9th, Midlothian's local yarn shop, [Dances With Wool](#), will be hosting a From the Heart Awareness Day. 10% of that day's proceeds will be donated by Dances With Wool to From the Heart.

From the Heart members will be there all day long to provide information about our organization to those shoppers who might want to become involved. We will have our Informational Brochure, our Newsletter, and copies of a few patterns with us, for those who might wish to create something for From the Heart in the future. We may also bring along a few samples of the items we create for donation to various places.

Please contact Tricia Ennis (triciaennis2014@gmail.com) (804)683-9015 if you have an hour or so on Saturday, July 9th and would like to be part of spreading the news about From the Heart into our community. Dances With Wool will be open from 11:00am until 5:00pm that day and we need volunteers to be there all day long so are requesting that people who volunteer be willing to spend one or two hours at the event (longer if you want).

Also, don't forget that Dances With Wool will be holding their annual Yarn Yard Sale on Saturday, June 4th. Contact them for more information about this event.

Directions to Dances With Wool can be found [HERE](#).

The current needs are as follows: however, as we always say, make what you enjoy making.

- Cotton washcloths – **Please DO NOT tag (tags are in the bags with the toiletries)**
- Hats of all sizes

While these two are our biggest need, we could also use:

- Blankets – no smaller than 32"x32" and as large as twin bed size (baby, kids, men & women))
- Totes – walker and wheelchair

If you want to pick up supplies. I will need the following information from you by Thursday 05/05 by 5:00 PM. After that we will be bagging the supplies and will do our best to provide what you are asking for.

Thank you so much for all you do for From the Heart. Please do all you can to keep yourself and those around you safe and again, thank you for all you do to help us continuing to deliver items during these challenging times.

As you know the Ruritan is very supportive of From the Heart, so you may like to support them. The Ruritan holds a yard sale twice a year. The funds raised are used to provide scholarships. The spring yard sale will be held at the Ruritan on Friday May 6th 7am – 4pm and Saturday May 7th from 7am - noon. Any of you that like yard sales might like to stop by, find some good bargains and support the Ruritan. Click [here](#) for directions to the building.

Current Needs – May 2022

If you deliver any items yourself in the Richmond area, please let Lois Moore know at loisfth@me.com or (804)305-4971. Fredericksburg/King George area please contact Pam (540) 661-7967, pegreswolde@comcast.net.

Richmond and Surrounding areas have a need for:

- ✓ Lap blankets (approx. 27 X 36")
- ✓ Twin size blankets (approx. 36-40" X 60-72")
- ✓ Walker totes
- ✓ Handheld size "entertainment" items for memory care folks (snowballs, mitts, cuffs, etc.) See pattern page of this newsletter
- ✓ 7-8" cotton squares for inclusion in toiletry bags (tagged please)
- ✓ 8" acrylic squares with a 2' long tail (for joining the squares – no tags needed)
- ✓ small toys and dressed bears (our Dollar Store bears have gotten smaller so please take one from the workshop next time you visit to use as a "model")
- ✓ size J crochet hooks (for Vessels of Mercy)

Fredericksburg/King George has a need for:

- ✓ Cotton washcloths – **Please DO NOT tag** (tags are in the bags with the toiletries)
- ✓ Blankets – no smaller than 32"x32" and as large as twin bed size (baby, kids, men & women))
- ✓ Hats of all sizes - no baby hats please
- ✓ Toys

While these are our biggest needs, we could also use:

- ✓ Men's & ladies wheelchair & walker totes
- ✓ Dialysis mitts

These are our current, most pressing needs but, as we always say, make what you enjoy making and we will find a home for it. Lots of patterns are available on our website at: <https://fromtheheartstitchers.org/patterns/>.

Please note that the Richmond site is no longer able to accept donations of gently used clothing or household items as the Domestic Abuse Shelter is no longer accepting these.

Recently, we have been receiving baby hats which are too small to fit a baby and too large to fit on our bears. If you like to create crocheted baby hats, please make sure to use a stretchy “ribbing” for the brim and please do not decrease stitches for a turned-up hem. We have a baby head sized Styrofoam ball on the front desk at the workshop for you to use to ensure your hat is the correct size and there are lots of patterns on our webpage at <https://fromtheheartstitchers.org/patterns/>

For Your Browsing Pleasure

From the Hearters' should be proud of the wonderful handwork that has been sent to the Ukraine. The average temperature in the Ukraine today 4/26 is 51 degrees daytime and 44 at night. Everything that was sent was much appreciated with these cold temperatures. <https://www.goldenlucycrafts.com/?s=Ukrainian> has a Crochet Ukraine Sunflower and a Crochet Ukrainian Heart which could be made and displayed proudly.

If anybody has a child attending Fox Elementary School, which was devastated by a fire recently, and who would like to make a “fox” knit for their child or grandchild, pay a visit to <https://startknitting.org/> and type the word “fox” into the search bar for some lovely knit items. If you love dogs, also look at the five free puppy patterns which would make a great small gift for a dog lover/child. Just type a word into the space bar and start exploring.

Happy Mother's Day! Happy Graduation Month!

Tip of the Month

Have you ever wanted to knit or crochet something, and you have the perfect pattern EXCEPT it is the wrong size?? How do you solve that problem? Rather easily as it turns out. First, make a swatch and then measure the swatch to determine the number of stitches and rows you have per inch. Determine the size of the item you want to create and multiply those measurements by your own gauge to discover how many stitches and rows you need to work with to get the item you want. Remember to adjust for stitch pattern multiples if needed.

Example: You have a lovely pattern for a blanket. The pattern is for a blanket of 26” square with a gauge of 5sts and 4 rows per inch. You want to make a blanket 34” square and you don’t know your gauge. Cast on 20 sts and work in the suggested pattern for 16 rows. (If you have the same gauge as the pattern calls for, the result will be a 4” square.) Measure your finished work. Let’s say you find it to be 3” wide X 4” tall. Divide the number of inches into the number of stitches and you will see that your working gauge was 6.66 sts to the inch and 5 rows to the inch. Now multiply

the number of stitches you worked at by the desired width of the blanket and you get 226.44 and multiply the number of rows by the desired length to get 170. So, you would cast on 226 sts and work the pattern for 170 rows to get a blanket which is 34” square. Remember that you may need to add or subtract a couple of sts if there is a horizontal pattern and a few more or less rows if there is a vertical pattern.
