- I-9 crochet hook
- 1 skein of Hobby Lobby "I Love This Cotton" or any cotton yarn
- Tapestry needle
- Scissors

Pattern:

Chain 35 (or any multiple of 3+2)

ROW 1: Make a double crochet into the 3rd chain from your hook and in each chain across. Chain 1 and turn (33 double crochet)

ROW 2: Work a double crochet into the very first stitch. *In the next stitch, work a front post double crochet, work 1 double crochet in the next 2 stitches. Repeat from * across until 1 stitch remains. Work a front post double crochet in the last stitch and 1 double crochet into the top of the turning chain. Chain 1 and turn.

ROW 3: Work a double crochet into the very first stitch. *Work a double crochet in the next stitch and a front post double crochet in the next two stitches. Repeat from * to last two stitches. Next, work 1 double crochet into each of the remaining 2 stitches. Chain 1 and turn.

Repeat ROWS 2 and 3 until dishcloth is desired length. Be sure to end on a row 2 for a neat edge.

Border: Chain 1 and make a single crochet in each stitch around putting 3 single crochets into each corner. Slip stitch to beginning stitch.

To Finish: Leave at least 6 inches for your tail. Cut yarn. Yarn over your hook and pull through the last stitch of your row and tighten. To weave in all yarn ends, thread your yarn in your tapestry needle and go in between the stitches one way and back the other way. This will keep your project from coming apart.
