

Quick and Easy Outfits For any Small Sized Teddy Bear

Materials: 2-3” Pony Tail Elastic
I-J Crochet Hook
Small Amounts of Worsted Weight Yarn

Drop by the Dollar (and a quarter) Tree and pick up a few 2” pony tail elastics. For the top and skirt, start by SC around the elastic with one color then change to another color. DC in each stitch around. In the next round, change colors again (if you want) and put 3 HDCs in each stitch to create a fluffy ruffle. For a headband, SC around with one color then make 3 HDCs in each stitch just **half way around**.

Use bright scrap yarn or some holiday colors and your imagination! Stop by the workshop and pick up one bear to use as a model then return your outfits on your next visit.

Thanks for helping us dress up these cuties for someone special.
