Toasty Warm Blanket: about 34 x 34 inches

At this size, this could be used for a baby or toddler, or as a lap blanket for an adult. It knits up really thick and cuddly.

NOTE: This pattern could be very interesting and fun if scrap yarns were used. Two worsted weight yarns of any color(s) held together.

Materials:
Two 268-yard skeins each of worsted weight yarn in two contrasting colors
29-inch circular needle, size 8 (and the usual for weaving in ends, etc.)

Pattern Stitch:
Based on a number of stitches divisible by four, plus 2; and a number of rows divisible by 12, plus 4.

Directions:
Using BOTH yarns held together, cast on 138 stitches.
Rows 1-4: Using BOTH yarns, K2, P2 ribbing, beginning and ending with K2 on front and P2 on back.
Rows 5-8: Using Color A only, K all stitches.
Rows 9-12, using Color B only, K all stitches.
When the piece is about 32 inches long, repeat Rows 1-4 and bind off.

***

Crocheted Ripple Blanket Using Leftovers

Materials:
Worsted weight yarn
Size I hook. If you want the blanket bigger or smaller just use a bigger or smaller hook.

Chain 118, DC in third ch from hook (your two ch count as 1 DC) DC in next 5 chs (total of 7 DC including the first 2 chs) *In next ch, DC CH1 DC (this is the peak) DC in next 7 Chs. Skip the next 2 CHS. DC in next 7 CHS* Repeat from * until you make your last peak. After you make the last peak DC in next 6 Chs, Skip the next CH, DC in last stitch for a total 7.

Next Row: CH 2, Turn. Skip a stitch, DC in next 6 stitches. Then DC CH1 DC in CH1 stitch. Then repeat the pattern like before. After you make the last peak DC in next 6 stitches, skip one DC in last stitch, CH 2 turn and repeat.

Repeat the second row until you have the length you desire.
