

## Continuing From the Heart's Soft Reopening

The workshop at 1114 Westbriar Drive in Henrico is now open for people to come in to sit and craft during regular hours which are 10am until 2pm on Tuesdays, Wednesdays, Thursdays, and Saturdays. A total of 7 people (5 crafters and 2 elves) will be allowed in the workshop at any given time, not to include people who come in for just a couple of minutes to get yarn for a future From the Heart project.

We will continue to require the use of masks while in the workshop and also request that people practice reasonable social distancing. Everybody will have to sign the register on the front desk in the hopefully unlikely event we need to engage in any form of contact tracing.

As always, we request that you do not come to the workshop if you are feeling unwell or running a temperature or if you have been in the company of someone who has been unwell.

Thank you all so much and I'm looking forward to seeing you at the workshop soon.

## Letter from Lois – April 2022

Leftovers: something remaining after the rest has been used or consumed.

...sometimes we are like leftovers. As we are we all are wonderful, unique individuals. But, put us all together, what a colorful, fun bunch we are!

Very much like our yarn leftovers, amazing when gathered together. For example, we put many small, leftover yarn balls into a paper sack. Close it up tight and only open to randomly take out the very first ball our fingers touch. Whether we are stitching a chemo hat, shawl, lap blanket or blanket square, the end results are always amazing! Most often the project we create using these random balls is so bright and colorful and always a true hit with their recipient!

Lately we have filled many cubbies with yarn that has been already balled for you. Some started as hanks needing to be wound to make it usable. Others are true leftovers, but not always tiny bits but some significant amounts, enough for an entire project.

Some of the balls you'll see in the cubbies will have the original label attached in some manner, for others the label may be missing. But all of these balls are new or like new, just waiting to be chosen by an inspired stitcher, waiting to be turned into something that can be passed along to one of our many facilities housing ill or otherwise needy patients and residents.

Some of the smaller balls are truly leftovers from projects stitched in the past. You will find some of this type in baskets and cubbies in the yarn hall as well.

Next trip to drop off you finished items or to pick up Dove tags, take a look and all those wonderful offerings described above. Put together your own surprise bag or may just pick the perfect blend of colors for something you've been planning to try. Much like our members, meshed together we make such an incredible "blanket" to wrap snuggly around those who need us the most!

### **Ukrainian Outreach Project with Vessels of Mercy**

We have had such an overwhelming response from our membership in providing hats and soft toys to Vessels of Mercy for the victims of Ukraine! Many thanks to

everyone for their interest, their lovely items and willingness to support our joint project with VOM.

With your donations, we delivered over 1,500 hats, scarves, and soft toys to VOM in less than two weeks! That is incredible! Our Fredericksburg group is also participating, and we are grateful for the 635 hats, scarves, and toys they donated last week. We received 211 hats made by a 92-year-old gentleman sent in through Peggy Culpepper. He learned of our project and wanted to help. Our community is such a compassionate group; always wanting to provide comfort to those we have never met. Thank you to each of you!

Dances With Wool learned of this project and notified their customers to bring their hats to their store and they will make sure we receive them. We appreciate this wonderful contribution from one of our LYS.

When donating your items at our Workshop be sure to mention that it is for the Ukraine project. We will make sure that your items are properly sorted and delivered to VOM.

Many of you are asking if there is a deadline for donating. The answer is no; there is not a deadline as this crisis will continue for months to come. We have also been asked if a monetary donation is possible. The answer is yes. You may send your check payable to Vessels of Mercy to 12081 Gayton Road, Henrico, VA 23238 if you desire. Please denote on the check that it is for their Ukraine mission.

Since this project is so special to our membership, we will continue to update you with any new information as soon as we obtain it. Thank you again for your continued support and interest in all of our From the Heart projects.

### **From the Heart Retreat 2022 Shining Our Light**

Be sure to mark your calendar for **Saturday, October 1, 2022** which is the date we have reserved at The Place at Innsbrook for our retreat, the theme of which is "Shining Our Light".

Our confirmed vendors for this event are

- Center of the Yarniverse, a local yarn store located in Ashland, Va. You can check out the possibilities of what they might bring to our retreat by going to their website at [www.centeroftheyarniverse.com](http://www.centeroftheyarniverse.com).
- Our own Sheila Weisensale from Weisensale Creations will be offering a lovely selection of handmade note cards and other paper creations, which all include a selection of flowers and seeds from Sheila's personal garden.
- Classy Accessories offers really well made and very cute towels, totes, and jewelry. Check that out on Facebook [here](#).
- Although not yet confirmed, there is also a possibility that Cas Schirra may join us again with her beautiful hand-crafted recycled glass and china items.

We are still discussing speakers and classes and will give information on those as decisions are made and guests are confirmed. It is looking more and more like we will be able to maintain the registration fee at \$40. We will be offering boxed lunches again this year as that went very well last year in terms of both speed of delivery to the table and, perhaps more important, deliciousness.

We feel that our theme of Shining Our Light this year is a very accurate expression of what all our members do in their daily lives and, in addition, very accurately represents what From the Heart does as an organization in the communities in which we operate. We are looking forward to making October 1<sup>st</sup> a great day so reserve a place in your schedule now.

### For Your Browsing Pleasure

We are all procrastinators of varying degrees. Easter is Sunday April 17th and there is still time for some last-minute craft gifts or an addition to an Easter basket.

[All About Ami /spring bunnies/](#), gives step by step directions to crochet a bunny and then go to <https://www.jeangreenhowe.com/patterns.html> patterns and click on free patterns. Scroll down to Easter Egg Treats and Novelty Eggs to knit. Bear in mind that Jean was British and, so, you will need to make sure you are “translating” if necessary to American terminology and sizes.

<https://grandmotherspatternbook.com> has lots of patterns for Easter eggs, Easter bunnies and Easter toys to crochet and knit.

<https://www.repeatcrafterme.com/2022/03/mini-crochet->

[bunny-baskets.html](#) has small bunny cups and baskets to crochet. Click on the link to see them. So cute. These bunny cups and baskets would be fun to fill and give. If you are a long range preplanner save these sites for next Easter, 2023, and make an earlier start in a few months.

On a totally different note, Judge Ketanji Brown Johnson, currently being considered by Congress for the soon to be vacant Supreme Court Justice seat is a knitter and a sometime crocheter.

Happy Spring! Happy Easter!

### From the Heart Awareness Day at Dances with Wool Saturday July 9<sup>th</sup>

On Saturday July 9<sup>th</sup>, Midlothian's local yarn shop, [Dances With Wool](#), will be hosting a From the Heart Awareness Day. 10% of that day's proceeds will be donated by Dances With Wool to From the Heart.

From the Heart members will be there all day long to provide information about our organization to those shoppers who might want to become involved. We will have our Informational Brochure, our Newsletter, and copies of a few patterns with us, for those who might wish to create something for From the Heart in the future. We may also bring along a few samples of the items we create for donation to various places.

Please contact Tricia Ennis if you have an hour or so on Saturday, July 9<sup>th</sup> and would like to be part of spreading the news about From the Heart into our community. Dances With Wool will be open from 11:00am until 5:00pm that day and we need volunteers to be there all day long so are requesting that people who volunteer be willing to spend one or two hours at the event (longer if you want).

Directions to Dances With Wool can be found [HERE](#).

### Fredericksburg Ruritan Pickup/Drop Off

We have scheduled our next **Curbside** Drop off / pickup at the Ruritan for **Tuesday, April 12, 2022** from 10 am until noon. The Ruritan generously allows us to use the building at no charge although it is typically \$100 to rent the facility. If anyone would like to donate to the Ruritan,

we will have a donation box available to help offset their expenses for our use of the building (electricity, etc.).

You will be able to bring your completed items into the Ruritan Bldg. We are asking if you have tags, please make sure your items are tagged. You can turn them if they are not tagged, but please let us know so we will make sure to tag them. The items do not need to be in sealed bags. We will have extra tags available if you need them.

We will be accepting your completed items to free up your space and help give you room to make more items.

If you want to drop off items, it would be helpful to know:

- Your name
  - What you would like to drop off
  - # of finished items
  - types of items
  - approx. count would be very helpful.
- What supplies do you need?
  - fabric to make book totes or walker totes
  - tags so you can turn things in already tagged going forward
- If you need yarn:
  - What yarn would you prefer by weight and color
  - Weight = #4, #3 etc. or tell me if you want worsted, sport, chunky, etc.
  - Color, what color(s) or variegated
  - A big bag of leftovers for making???  
Leftovers are not limited as we have an abundant supply of them.
- Any other information you might think pertinent. Please feel free to share this information with anyone whom you think might want/need to know. Please tell other FTH members in case they are not aware of this event.

We will be open for receiving finished items and picking up supplies only – from 10:00 am – 12:00 noon. Click [here](#) for directions to the building. Thank you so much for all you do for From the Heart. I know all the locations we deliver to are going to be very appreciative of the items we will be able to deliver to them. Please do all you can to keep yourself and those around you safe.

## Current Needs – April 2022

Please tag items before bringing them to the workshop. It is no longer necessary to place them in plastic bags. If you do put your items in a plastic bag, please include a note to indicate what is in the bag. Please tie your tags in a BOW, as this is easy for our recipients to undo. Tags can be picked up any time the workshop is open. Anything intended to go to Vessels of Mercy should also include the words “Vessels of Mercy” on the bag. This will be a great assist to the Elves and/or members of the Sorting/ Distribution Team when dealing with the many hundreds of items that come into the workshop every week.

If you deliver any items yourself in the Richmond area, please let Lois Moore know at [loisfh@me.com](mailto:loisfh@me.com) or (804)305-4971. Fredericksburg/King George area please contact Pam (540) 661-7967, [pegreswolde@comcast.net](mailto:pegreswolde@comcast.net).

### Richmond and Surrounding areas have a need for:

- Large Blankets
- Memory Care Items
- Bear Outfits
- Soft Toys
- Hats
- Soft Chemo Hats (not cotton although cotton/acrylic blends are OK)
- Baby hats with bunny ears (for VCU/MCV)

### Fredericksburg/King George has a need for:

- Cotton washcloths – **Please DO NOT tag** (tags are in the bags with the toiletries)
- Hats of all sizes - no baby hats please

While these two are our biggest needs, we could also use:

- Blankets – no smaller than 32"x32" and as large as twin bed size (baby, kids, men & women))
- Men's wheelchair totes
- Dialysis mitts

At the end of this newsletter, you will find patterns for “generic” hats for children. These would work nicely for the bunny eared hats Richmond is still making for MCV. Just make ears for a bunny and attach. They would also work for the project we are working on with VOM for refugees from Ukraine.

These are our current, most pressing needs but, as we always say, make what you enjoy making and we will find a home for it. Lots of patterns are available on our website at: <https://fromtheheartstitchers.org/patterns/>. Please note the new listing under our knitting patterns for links to colder weather hats and balaclavas. Many thanks to Betty Flanigan for taking the time to compile this list, which can be accessed [here](#).

## Are you Suffering from Stash Fatigue?

On Saturday, June 4<sup>th</sup>, from 8am until noon, Dances With Wool, our local yarn store in Sycamore Square in Midlothian, will hold its annual Yarn Yard Sale. From the Heart members may be interested in reducing their stashes by participating.

Participation is free but you must be signed up to be a vendor and you must provide your own table(s), money, or other means of payment. If this event interests you, please contact [Dances With Wool](#) for more information.

Vendors are made aware that they have the option of donating any unsold yarn to From the Heart. This event has resulted in a nice amount of yarn being donated to us in the past so, if you have a large stash that you don't have any particular interest in anymore, why not kill three birds with one stone.

1. Make yourself a bit of money through what you sell.
2. Donate what you don't sell to From the Heart.
3. Potentially check out Dances With Wool's inventory.

Seems like a win-win-win situation all the way around.

## What “Specialty” Items are at the Workshop?

There is a good amount of fabric available for those who like to sew items for From the Heart. It is kept on the shelf to the right as you enter the yarn hall. Patterns for dignity bibs, drain tube bags, underarm pillows, wheelchair and walker totes, and many other items can be found on our website [here](#).

We have bags of matched squares to be sewn together to create blankets on the wire shelving to the right as you

enter the yarn hall. Horseshoe shaped shawl kits are now available in brown grocery bags in front of this shelving. These bags contain sufficient yarn to complete a shawl, a small booklet with both knit and crochet patterns, and a tag to attach to your completed shawl.

Don't forget to pick up the tags you will need to add to your finished items.

## Elf of the Month – March 2022

Each month, we enter the names of all the Elves who have volunteered to staff the workshop that month into a random drawing and one name is pulled to be the Elf of the Month. Congratulations to **Mimi De Percin** who is the Elf of the Month for March 2022. Next time you are at the workshop, Mimi, please select some of the nicer yarn for your personal use in a non-FtH project.

## Tip of the Month

Yarn bowls are lovely and keep your yarn from getting tangled or rolling all over the place, but they can be quite expensive. Here are a couple of cheaper alternatives.

Use an old clean teapot if working with just one color.

Working with lots of colors?  
Use a colander.
